

# ORDINANCE No. 176272

\* Authorize agreement with the City of St. Helens to provide laboratory analytical services (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The City of St. Helens was issued a National Pollutant Discharge Elimination System (NPDES) wastewater discharge permit. The NPDES permit requires implementation of a wastewater-monitoring program. The City of St. Helens uses the services of contract laboratories as needed to comply with requirements of the wastewater monitoring program;
2. The goal of this intergovernmental agreement is to provide laboratory analytical services for the City of St. Helens by the City of Portland and;
3. The purpose of this agreement is to detail the responsibilities, compensation, and services to be provided by each party.

NOW, THEREFORE, the council directs:

- a. The Director of the Bureau of Environmental Services and Auditor are authorized to execute an intergovernmental agreement with the City of St Helens for the purpose described in Section 1.
- b. The Mayor and Auditor are hereby authorized to accept approximately \$20,000 per year for revenues in the Bureau of Environmental Services Sewer Operating Fund from the City of St. Helens for the City of Portland providing laboratory analytical services.

Section 2. The Council declares that an emergency exists because the City of Portland is ready to provide services to the City of St. Helens in a timely manner and St. Helens is ready to pay for services of the City of Portland. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
