

12094  
RESOLUTION NO.....

WHEREAS, it appears to the Council that the property extending from a line drawn between the northeast corner of Block 72 and the northwest corner of Block 71, Caruthers Addition to Caruthers Addition, and the north line of Hooker Street was intended by the original Plat to be street area and to be known as 4th Street with a width of 84.8 feet as Blocks 68, 69, 70 and 71 were subdivided into lots fronting upon this strip some of which would otherwise be without street access, the Council passed Ordinance No. 9435 numbering certain blocks including Blocks 74, 75 and 76, Caruthers Addition to Caruthers Addition which are west of and adjoining the property in question and described as fronting east on 4th Street, the area has actually been used for street purposes by people residing in the vicinity and most map makers have given a similar interpretation to the original plat, all of which indicate a claim of right on the part of the public, and whereas, under these circumstances, the City Attorney is of the opinion that the property is street area, now, therefore

BE IT RESOLVED, that the strip of land 84.8 feet wide west of and adjoining Blocks 68, 69, 70 and 71, Caruthers Addition to Caruthers Addition, and extending from a line drawn between the northeast corner of Block 72 and the northwest corner of Block 71, Caruthers Addition to Caruthers Addition, and the north line of Hooker Street, is hereby declared to be street area and to be known as 4th Street.
