

ORDINANCE NO. 149215

An Ordinance authorizing an application by the Park Bureau to the Department of the Interior for a grant project estimated at \$900,000 in aid of Portland Park Innovation Project II B (Multnomah School), authorizing contracts, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The Department of the Interior through the Heritage Conservation and Recreation Service (HCRS) makes grants to local governments in aid of innovative recreation projects under the Urban Parks and Recreation Recovery Act of 1978.
2. The Bureau of Parks and Recreation manages the City's parks and could further the City's effort therein by a grant in aid of said services.
3. On November 28, 1979, Council adopted a resolution directing the Park Bureau to seek federal assistance for adaptive reuse of Multnomah School and identifying an excessive amount of matching resources.
4. The project cost is estimated at \$900,000 of which 30 percent or \$270,000 is required as local share, which local share must be provided from the General Fund during FY 1980-81. The Federal share would be \$630,000.
5. Should the City receive the grant, it will be obligated to comply with the regulations of HCRS which in particular include:
 - a. A commitment to complete and adopt a full Action Program document by October 1, 1980.
 - b. An ongoing commitment to planning, rehabilitation, operation and maintenance of the park and recreation system.
 - c. A commitment to assure that facilities provided or improved under the grant shall thereafter continue to be adequately maintained, protected, staffed and supervised.
 - d. Intention to maintain total local public outlays for park and recreation purposes at levels at least equal to those in the year preceding that in which grant assistance is sought except in any case where a reduction in park and recreation outlays is proportionate to a reduction in overall spending by the City.
 - e. The standard assurances in OMB Circular A-102, attachment M, park V, "Assurances."

ORDINANCE No.

149215

NOW, THEREFORE, the Council directs:

- a. The Mayor and Commissioner in charge shall make application to the Department of the Interior for a grant project estimated at \$900,000 in aid of Portland Park Innovation Project II B for adaptive reuse of Multnomah School.
- b. Should the described grant be approved, a contract or grant agreement is authorized.
- c. The Commissioner in charge is authorized to provide assurances regarding the use of the grant as may be required by the Department of the Interior.
- d. The Commissioner in charge is authorized to provide such information and assurances as are required for receipt, expenditure, and accounting for the grant project.
- e. Expenditures under this grant are not authorized until HCRS has approved the grant; the Council has specifically appropriated the funds; and the system of accountability has been established by the Bureau of Financial Affairs.

Section 2. The Council declares that an emergency exists because regulations governing the grant application require immediate application, and delay in application may result in the loss of opportunity to receive the grant; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
