Hi Julian,

You are scheduled to speak in front of the Portland City Council on December 9th.

Council meetings are being held virtually, so you will receive an email with information about how to join the meeting using your phone or the internet. You will receive this email next week. The Council meeting will start at 9:30 am. Let me know if you have any questions.

Hi Tristan,

Thank you for getting back to me with this helpful information. I would like to reserve a spot for the meeting on December 9th if possible. I will be discussing the Borgen Project, my phone number is (503) 702-6686 and my zip code is 97202. Please let me know if I need to know any additional information. I look forward to addressing city council and hearing more from you. Thank you for your time.

Best,

not know how to go about getting the wheels in motion for this especially since Covid-19 is limiting meeting in person. I hope I have not reached you in error but if this is the correct place for an inquiry I would love to know how best to proceed and whether or not I could present fairly soon. Please let me know what you think and thank you for your time.
