The above mentioned Transaction ID 348160, dated June 1, 2020 was for an invoice paid to Hampton Rodriquez for serving as a . distribution site for campaign volunteers to pick up signs. This was needed due to the COVID-19 restrictions that closed our campaign offices. This disbursement was late and the insufficiency was satisfied with the Secretary of State. There have not been any contributions or payments in regards or relationship to any campaign or effort other than (18935) People for Teresa for Mayor. All financial accounts have been closed.

Was this included in the original email of complaints or is this a separate request? Our campaign accountant Denice Bailey is copied on this email, thanks.
