

ORDINANCE No. 149373

An Ordinance authorizing the payment for a Special Use Permit from the U. S. Forest Service in connection with the Hydroelectric Power Project, transferring funds, authorizing the drawing and delivery of warrants, and declaring an emergency.

The City of Portland ordains:

The Council finds:

1. That a Special Use Permit has been issued to and accepted by the City to construct the hydroelectric facilities (Ordinance No. 147546).
2. That the payment of \$14,000 in fees is required by the Special Use Permit.
3. That a transfer of \$14,000 from the Hydropower Contingency to the Hydropower Construction Fund is required.

NOW, THEREFORE, the Council directs:

- a. That the Mayor and the Auditor are authorized to draw and deliver warrants for the payment of the Special Use Permit fee.
- b. That a transfer of \$14,000 from the Hydropower Fund Contingency BUC #64000012, Object Code 710 to the Hydropower Construction Fund BUC #64200003, Object Code 490 (Miscellaneous) is authorized.

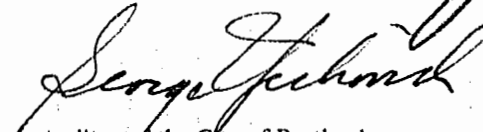

Section 2. The Council declares that an emergency exists because a delay in proceeding with the project would result in increased project cost to the City; therefore, this ordinance shall be in force and effect from and after its passage by the Council.
