

## ORDINANCE NO. 149416

An Ordinance authorizing the transfer of \$14,000 within the General Fund, from the General Operating Contingency to the Bureau of Fire (AU 124) for the purchase of foam, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. That the Fire Bureau applied its total stock of AFFF agent foam (1,140 gallons) to a gasoline spill which occurred on March 14, 1980 at the Chevron Tank Farm.
2. That in order to meet the demand for foam at the scene of the spill and to replenish its on-hand stock of foam the Fire Bureau initiated emergency purchase actions for an additional 1,135 gallons of foam at a cost of \$14,575.
3. That to date the Bureau of Fire has expended approximately \$29,000 for foam which is \$14,000 greater than its budget allocation of \$15,000.
4. That the Bureau of Fire does not have sufficient Materials and Services appropriation to absorb this additional expenditure thereby necessitating the transfer of \$14,000 from the General Operating Contingency.

NOW, THEREFORE, the Council directs:

- a. The City of Portland FY 1979-80 Budget is amended as follows:

General Fund

Requirements

General Operating Contingency	(\$14,000)
-------------------------------	------------

Bureau of Fire (AU 124)	
320 Operating Supplies	\$14,000

149416

## ORDINANCE No.

Section 2. The Council declares that an emergency exists because this transfer of appropriation and the purchase of foam is necessary in order to ensure the continued provision of Bureau fire suppression services; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
