Hi Alex,

The council offers public communications at the beginning of each council meeting. There are five spots available at each meeting for members of the community to speak on a topic of their choosing for 3 minutes, uninterrupted.

The next available dates for communications is Wednesday, January 6th. The meeting begins promptly at 9:30am and that is when you would be addressing the council, by video. If you would like to reserve this date, please provide a zip code.

I have attached a powerpoint with slides and descriptions of police brutality.

I would like to show my powerpoint and discuss the images.

I would also ask that I can play a small clip of audio from the origin video (less than 30s) to provide context.

The video used for the screenshots can be found [here](#).
