

IMPACT STATEMENT

Legislation title:

Appoint Travis Olson to the Floating Structures Code Board of Appeal for term to expire January 12, 2024 (Report)

Contact name: Terry Whitehill, Bureau of Development Services, Code and Policy Development

Contact phone: 503-823-7639

Presenter name: Terry Whitehill, terry.whitehill@portlandoregon.gov

Purpose of proposed legislation and background information:

This appointment will fill a vacant position on the Floating Structures Code Board of Appeal as required by Portland City Code Title 28. The other positions on the Floating Structures Code Board of Appeal are filled by David Grant (constructor), Martha Bailey (member-at-large), and alternate Stan Tonneson (member-at-large).

Financial and budgetary impacts:

The Board appointments are citizen-volunteer positions, so no revenue or expenses are incurred by these positions.

Community impacts and community involvement:

There has been active on-going recruitment for members of the Floating Structures Code Board of Appeal. Current Board members notified their constituent groups of the vacant positions, and BDS has distributed vacancy notices through flyers. An interested applicant files an application for membership with the Office of Community & Civic Life (CCL). Once CCL receives the applications and conflict of interest forms, it forwards those documents to Terry Whitehill in BDS for review.

Subject: Appointment to the Floating Structures Code Board of Appeal

Recommendation

There are currently two members and one alternate on the Floating Structures Code Board of Appeal: David Grant and Martha Bailey are members, and Stan Tonneson is an alternate. Travis Olson’s membership will fill the vacant position on the board. There are two remaining vacant alternate positions on the board.

I am recommending Travis Olson be appointed as a member to the Floating Structures Code Board of Appeal. His 3-year term will be from January 13, 2021 through January 12, 2024.

- **Travis Olson** is a 3rd generation Floating Structures builder and co-owner of Ducks Marine Construction. Travis has been involved in the construction, reconstruction, and inspection of floating homes and marinas.

The table below lists the recommendation and member for appointment along with the Floating Structures Code Board of Appeal position and status:

Member	Current Status	Appointment
Travis Olson	New Appointment	1st full term, ending January 12, 2024

With this proposed appointment, there are two alternate positions vacant on the Floating Structures Code Board of Appeal. BDS will continue outreach to fill the vacant positions.
