

PARKS REPLACEMENT BOND

Gabriel Park Play Area Improvements Project
CITY COUNCIL – Wednesday, February 10, 2021

Commissioner Carmen Rubio | Director Adena Long

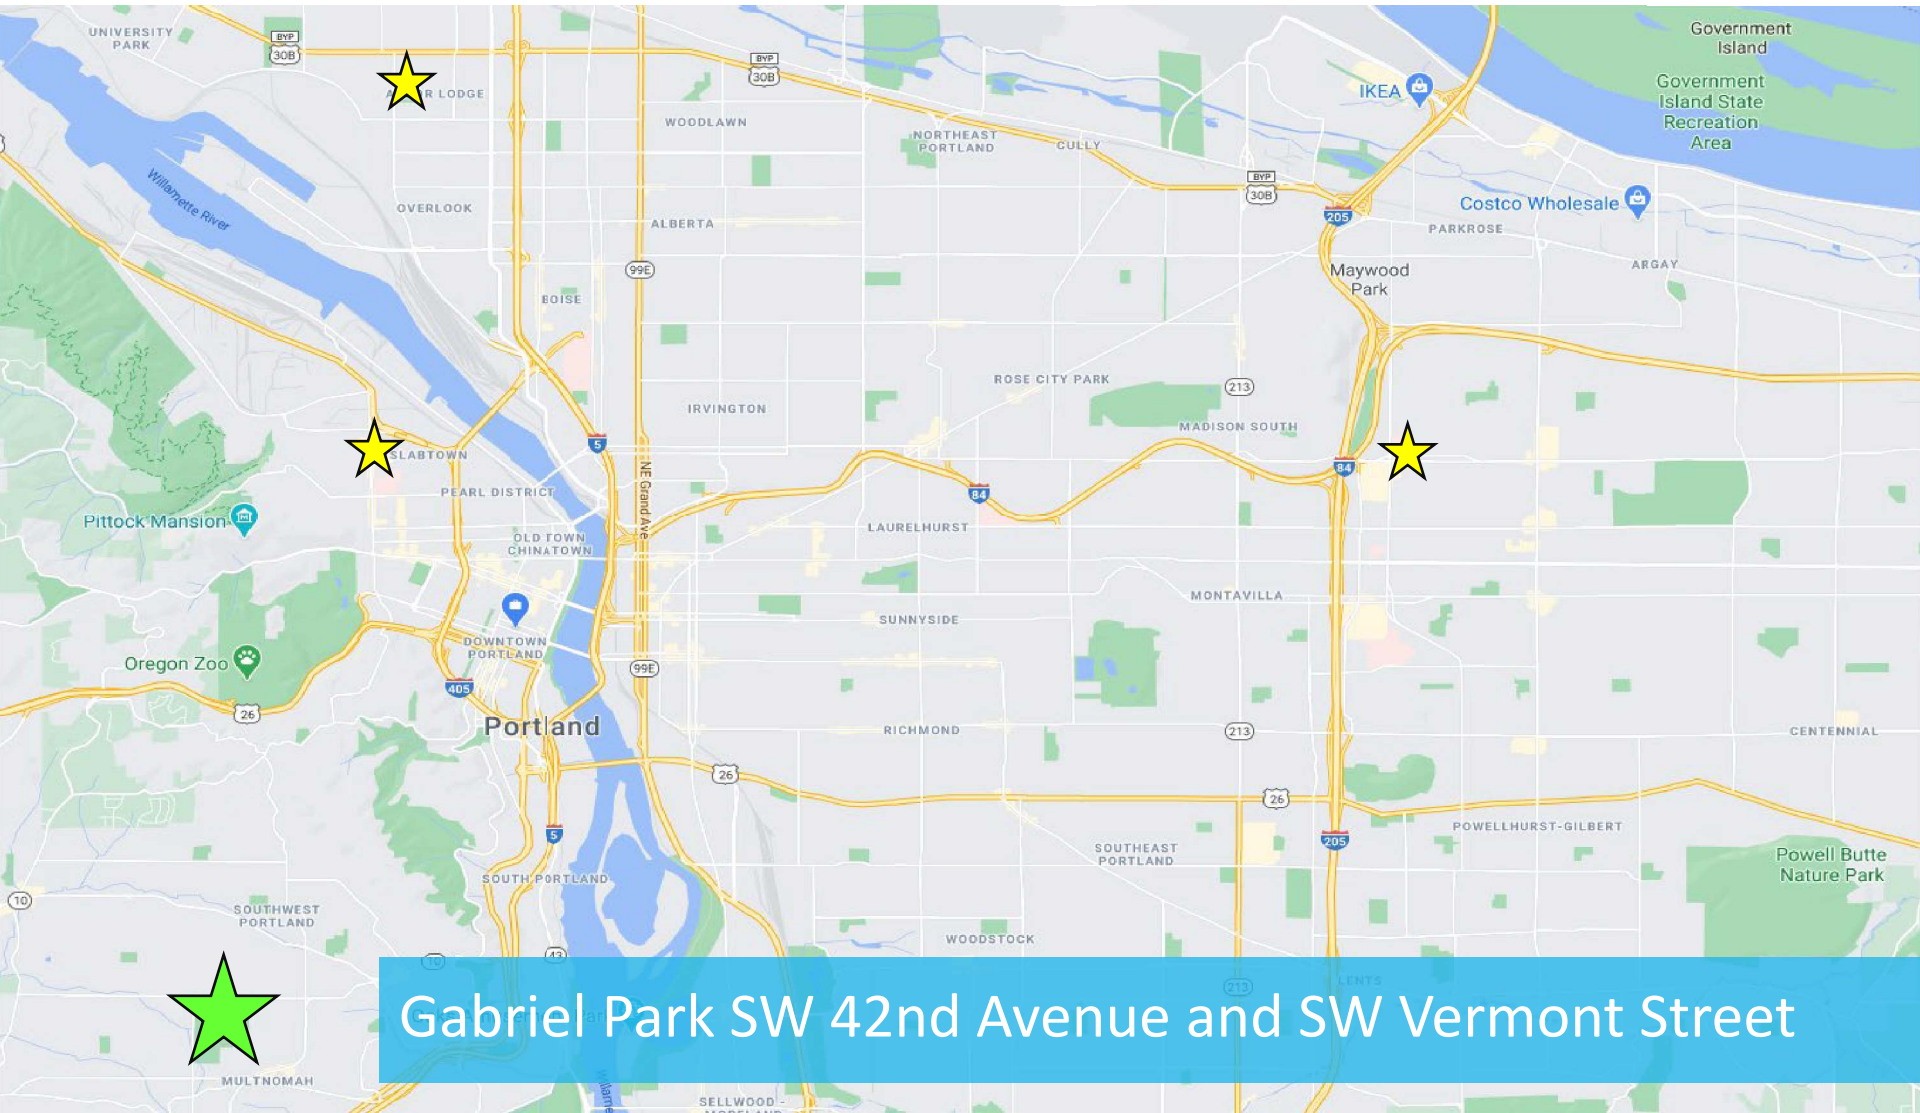

A young child with dark hair, wearing an orange long-sleeved shirt, is shown in profile, looking through a chain-link fence. The child's hands are touching the fence. In the background, a playground with yellow and blue equipment is visible. The ground is covered with dark rubber safety mats and some white debris. An orange arrow-shaped graphic points to the right, containing the text 'FOCUS PLAYGROUNDS'. A blue rectangular box with white text is overlaid on the middle of the image.

FOCUS

PLAYGROUNDS

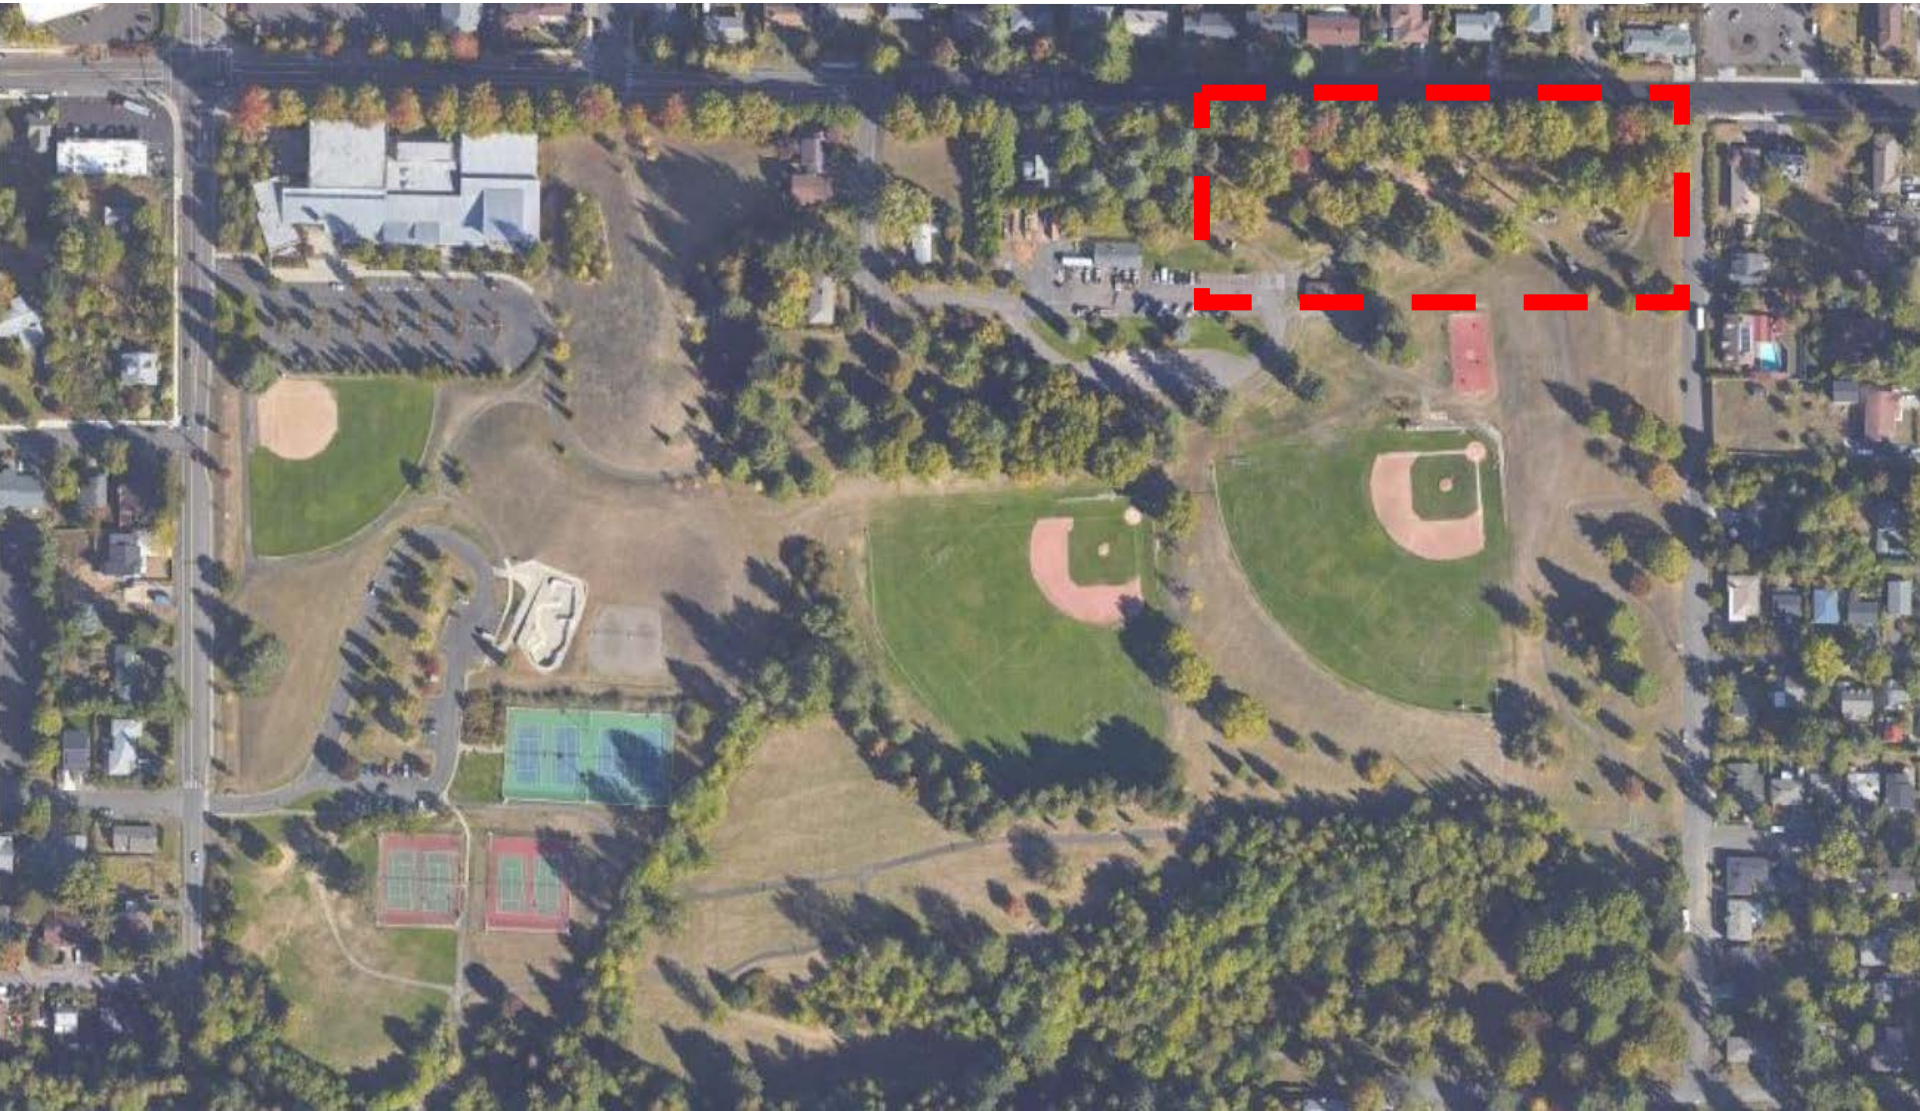

Fix, improve play areas that are closed, at risk of closure, or deficient.
