**Subject:** RCAC is the vital connector between Portland BDS and the Waterfront Community, please reappoint Terry Glenn

**105 Reappoint Terry Glenn to the River Community Advisory Committee for a term to expire February 23, 2024 (Report introduced by Mayor Wheeler and Commissioner Ryan)**

The waterfront community and businesses are a healthy vibrant part of the City of Portland. The leaders at Waterfront Organizations of Oregon [www.WaterfrontOregon.com](http://www.WaterfrontOregon.com) were instrumental in originally authoring Title 28. As the world looks for more areas to provide housing, they are looking to the waterfronts in their cities. Portland has this opportunity as well.

It is important that there be a strong working relationship between the planners and the practitioners, BDS and the waterfront. RCAC does this well and will continue to do well with Terry Glenn as a member. We support Mayor Wheeler's recommendation to reappoint Terry Glenn.

I would like to congratulate you for your very professional, knowledgeable and involved Harbormaster Sean Whalen of the Portland Fire Department who goes above and beyond his responsibilities in working with the waterfront for safety and application of Title 28.

Best Regards,

Ron Schmidt
