# Grant funding recommendations

Focused on climate action with multiple benefits.

Justice Driven

Advance systems change that addresses historic and current discrimination. Center all disadvantaged and marginalized groups – particularly Black and Indigenous people Invest in people, livelihoods, places, and processes that build climate resilience and community wealth, foster healthy communities, and support regenerative systems. Avoid and mitigate displacement, especially resulting from gentrification pressures.

#### **Community-powered**

Trust community knowledge, experience, innovation, and leadership. Honor and build on existing work and partnerships, while supporting capacity building for emerging community groups and diverse coalitions. Engage with and invest in community-driven approaches that foster community power to create meaningful change.

Implement transparent funding, oversight, and engagement processes that promote continuous learning, programmatic checks and balances, and improvement. Demonstrate achievement of equitable social, economic, and environmental benefit. Remain accountable to target beneficiaries, grantees, and all Portlanders.

#### Modified consensus decision making process

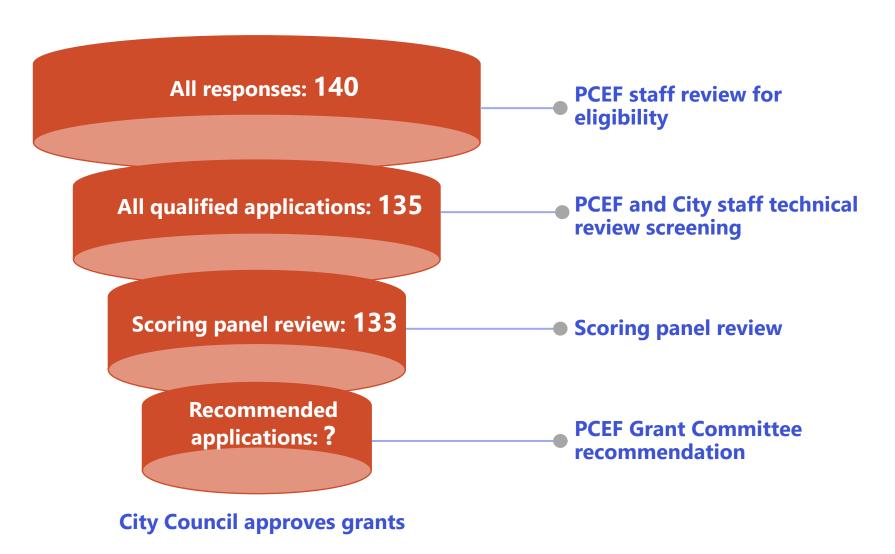

- **Proposal** put forth for consideration by Committee member
- **Temperature check** each Committee member indicates how comfortable they are with making an affirmative decision
- Discussion additional discussion if needed
- **Amendments** Committee members can offer amendments to the original proposal
- **Decision** each Committee member can 1) affirm the proposal, 2) stand aside, or 3) indicate that "no" they do not support the proposal. Note that standing aside is counted as a decision to affirm for the purposes of approving a proposal.

The following minimum number of affirmative decisions is required for a decision to represent the position of the PCEF Committee.

- When 6 or 7 Committee members are present : 5 Affirmative decisions
- When 8 or 9 Committee members are present : 6 Affirmative decisions
