

PCS's Look Ahead: 2021 and beyond (BPS's current workplan)

Planning Projects	Sustainability Projects	Other Bureaus' Projects	Ongoing/Implementation Work for Sustainability Program
FORMAL ROLE (land use, transportation and other projects that come to the PSC for a recommendation to City Council ...)			Ongoing Work
<ol style="list-style-type: none"> 1 Ezone Map Correction Project 2 Historic Resource Code Project 3 West Portland Town Center 4 Naito Main Street/Ross Island Bridgehead 5 Montgomery Park to Hollywood Streetcar 6 Floodplain Management Update 7 HB2001 Compliance/RIP2.0 8 Economic Opportunity Analysis 	<ol style="list-style-type: none"> 1 Solid Waste & Recycling Rates 	<ol style="list-style-type: none"> 1 Street vacations (PBOT) 2 Cully Tax Increment Financing (TIF) District (Prosper and PHB) 3 2040Freight (Freight Master Plan update) (PBOT) 	<ol style="list-style-type: none"> 1 Implement energy performance disclosure programs (Home Energy Score and commercial energy reporting) 2 Emerging mobility/sustainable transportation work with PBOT (EV in ROW, POEM, freight plan update) which will inform policy priorities later 3 Collaborate with utilities and advocate at OPUC/state legislature on decarbonizing energy supply systems (electricity and gas.) This includes community-based renewable energy, energy resilience (solar + storage), municipal green tariffs, net metering, state renewable portfolio standards, and fossil gas transition, etc. 4 Assist City bureaus in decarbonizing their operations. Energy efficiency assistance, renewable energy procurement. 5 Implement deconstruction standard and programs to reduce material waste 6 Implement food waste reduction/recovery program 7 Implement straw and plastic bag bans 8 Implement reuse/repair/share options and community actions 9 Implement waste equity initiative to reduce barriers and open up opportunities for diversifying hauling sector 10 Ongoing management and regulation of the waste, recycling and composting collection service for Portland (which includes operations, customer service, hauler engagement, coordination with Metro, etc) 11 Management and expansion of public trash can program across City 12 Initiative to improve services to Multifamily Residents for waste and recycling 13 Partner with c40 on Thriving Cities initiative 14 Working at state level for local REACH codes for building standards on energy efficiency

INFORMAL ROLE around the BUILT ENVIRONMENT (non-land use) - Building performance, roads and structures

9 Earthquake Ready Burnside Bridge	2 Low-Carbon Concrete/Embodied Carbon	4 Vision Zero (PBOT)
10 Social Justice Zoning Project	3 Progress Report on Climate Actions and Emissions Inventory	5 Streets 2035? (PBOT)
11 SE Rising (Brentwood Darlington)	4 EV-ready code	6 Columbia/Lombard Mobility Plan (PBOT)
12 Parkrose	5 Establish building performance standards (i.e., regulate existing buildings for carbon)	7 Albina Vision Trust (PBOT)
	6 Update and expand City Green Building	8 Inclusionary Housing review (PHB)

Not Land Use or Built Environment

13 Anti-Displacement Action Plan	7 Healthy Climate/Clean Air fee	
14 East Portland Community Priorities (community input and co-creation phase)	8 Update renewable fuel standard	
	9 Transfer of Title 13 (specified animals code) implementation to Mult. County.	

15 Decarbonize/electrify CityFleet (close partnership with OMF).

16 Sunsetting Sustainability at Work Program

17 Working with Multnomah County and community partners to develop Climate Justice by Design Initiative

18 Economic development opportunities for BIPOC communities from climate and sustainability programs.

19 Sustainability engagement and education programs such as the Fix It Fairs, Master Recycler Program, etc.
