

ORDINANCE No. 149868

An Ordinance amending Ordinance No. 149689 to allow warrants to be charged against the 1980-81 budget for the Bureau of Fleet Management, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Fleet Management requested and the Council directed in Ordinance 149689, passed June 4, 1980, the Purchasing Agent to advertise for bids for a Vacuum Type Street Sweeper.
2. The ordinance authorized the drawing of warrants chargeable to the 1979-80 budget for this purchase.
3. Because of the timing of this authorization, it was not possible to complete the bid process and the contract in time to encumber these funds during FY 1979-80. The Bureau of Fleet Management now requests that this purchase be made as a part of the FY 1980-81 budget.
4. The Commissioner of Public Utilities and the Purchasing Agent concur with this request.

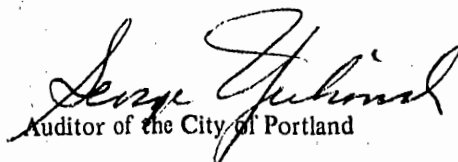

NOW, THEREFORE, the Council directs:

- a. That section 1. paragraph c. of ordinance 149689 be amended to authorize the drawing and delivery of warrants chargeable to the 1980-81 Budget, Fleet Operating Fund.
- b. All other wording and conditions of ordinance 149689 shall remain unchanged and in full force.

Section 2. The Council declares that an emergency exists because a delay in proceeding with the purchase may result in additional expenses, and will unnecessarily deprive the City of the benefits of completion of the contract at an early date; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
