Hi Scott,

I'm sorry you were having trouble with Zoom this week. Unfortunately, the agenda has been published for next week's meeting, but we can help you get scheduled for the week of March 24. Just a reminder that requests for Communications need to be received by our office by Tuesday the week before the meeting. For instance, for next week's meetings, we finalized the agenda on Wednesday and Thursday because we published the agenda this morning. We are not able to make changes to the agenda once it is published. Let us know if you would like to schedule a spot on March 24, and we can assist.

Thanks,

Keelan

Can I still get rescheduled for next week, I struggle with Zoom technology, although I have someone to help me next Wednesday if a spot is still available?
