APPENDIX E

TRANSPORTATION SYSTEM PLAN PROJECT LIST CHANGES

TSP ID	Lead Agency	Facility owner	Project name	Project location	Project description
Changes to existing TSP projects					
30004	Portland	Portland	N Columbia Blvd Pedestrian Improvements	Columbia Blvd, N (Swift - Portland Rd)	Construct sidewalks and crossing improvements. Project design will consider freight movement needs, consistent with policies, street classification(s) and uses.
30037	Portland / ODOT	ODOT	N Lombard Corridor Safety Improvements	Lombard St, N/NE (Woolsey - 11th)	Design and implement safety improvements including lane reconfigurations where feasible, enhanced pedestrian crossings, and intersection improvements at signalized intersections. Provide an at-grade pedestrian crossing of the I-5 on-ramp and consider removal of spiral overcrossing. The project will be coordinated with ODOT to address potential impacts to Lombard and the I-5 interchange.
30081	Portland	Portland	N Argyle Corridor Improvements	Argyle Way, N (Columbia - Denver)	Design and implement bicycle facilities on N Argyle from N Columbia Blvd to N Denver Ave. Construct safety and connectivity improvements at the Columbia, Brandon, and Denver intersections. Redesign intersection of Columbia and Argyle to remove slip lane.
40036	Portland/Port	Portland	Cornfoot Rd Corridor Improvements	Cornfoot Rd, NE (47th - Alderwood)	Construct a multi-use path on the north side of Cornfoot Rd and install missing guardrail segments on the south side. Project design will consider freight movement needs, consistent with policies, street classification(s) and uses.
40037	Portland	Portland	Cully Blvd Safety Improvements, Phase 2	Cully Blvd, NE (Prescott - Fremont)	Improve sidewalks, add pedestrian crossings, and enhance existing bicycle facilities.
40100	Portland	Portland	NE 33rd & Columbia Interchange Safety Improvements	33rd Ave/Dr, NE (at Columbia Blvd)	Replace the existing seismically vulnerable 33rd Ave bridge (#009) over railroad tracks and provide pedestrian and bicycle facilities on the new structure. Improve and signalize the intersection of 33rd & Columbia, and remove the ramp over Columbia (#009A) and the Columbia Blvd bridge over 33rd Dr. Redesign interchange as a whole to improve safety and wayfinding. Project design will consider freight movement needs, consistent with policies, street classification(s) and uses.

TSP ID	Lead Agency	Facility owner	Project name	Project location	Project description
40102	Portland/Port	Portland	Columbia Blvd Freight Improvements	Columbia Blvd, NE (60th - 82nd)	Widen Columbia Blvd to five lanes to improve freight reliability and access to industrial properties. Requires right-of-way acquisition and replacement of bridge over 82nd Ave.
40107	Portland	Portland	Outer Alberta Neighborhood Greenway	Alberta St, NE (72nd - I-205 Path)	Design and implement a bikeway along Alberta St (with a path through Sacajawea Park), 92nd Ave, and the north side of Sandy Blvd to reach the I-205 Path and Parkrose/Sumner Transit Center.
New TSP projects					
NEW	Portland	Portland	NE Columbia Blvd Corridor Safety Improvements	Columbia Blvd, N/NE (Argyle - 82nd)	Add street lighting on both sides, fill sidewalk gaps, rebuild aging traffic signals, provide enhanced pedestrian crossings at bus stops, reconfigure skewed intersections, add segments of median, and make other safety improvements along the corridor.
NEW	Portland	Portland	Columbia Corridor Freight District Street Improvements	NE Baldwin St (10th - 11th) NE Russet St (11th - 13th) NE 13th Ave (Columbia Blvd - Lombard Pl) N Borthwick Ave (Columbia - Halleck) N Kerby Ave (Columbia - Halleck) N Halleck St (Albina - Congress) NE Mallory Ave (Columbia - Halleck) NE Halleck St (Mallory - Grand) NE Kilpatrick St (Mallory - Grand) NE Grand Ave (Columbia - Halleck)	Make needed street improvements (pavement, curbs, sidewalks, stormwater) on Freight District Streets surrounding NE Columbia Blvd.
NEW	Portland	ODOT	NE Lombard Corridor ITS Improvements	N/NE Lombard St (I-5 - I-205)	Add ITS upgrades on Hwy 30 Bypass between I-5 and I-205. These upgrades include detection, bluetooth, cameras, communication fiber, truck signal priority, and other similar improvements at major intersections to improve traffic and freight safety and reliability.
NEW	Portland	Union Pacific RR	Columbia Blvd Over-Dimensional Freight Improvement	Railroad Bridge over Columbia Blvd adjacent to I-5	Replace railroad bridge to increase vertical clearance under railroad bridge to allow a higher percentage of over-dimensional loads to use this segment of Columbia Blvd. Includes double-tracking the railroad over the new bridge.

TSP ID	Lead Agency	Facility owner	Project name	Project location	Project description
NEW	Portland	ODOT	NE Lombard Corridor Safety Improvements	NE Lombard St (11th - I-205)	Add street lighting on both sides, fill sidewalk gaps, rebuild aging traffic signals, add new traffic signals where warranted, provide enhanced pedestrian crossings at bus stops, reconfigure skewed intersections, add segments of median, enhance bike lanes, improve connections to the neighborhoods, and make other safety improvements along the corridor. Improve safety of I-205 interchange by realigning ramps.
NEW	Portland	ODOT/TriMet	Parkrose/Sumner Ped/Bike Overcrossing	NE Alberta St & 92nd Ave to Parkrose/Sumner MAX Station (over I-205)	Construct a ped/bike overcrossing of I-205 from Alberta & 92nd to the Parkrose / Sumner Transit Center light rail platform.
NEW	Portland	Portland	47th to Cornfoot Bikeway Gap	NE 47th Ave (Cornfoot Rd - Crystal Ln)	Connect Columbia Slough trail along Cornfoot Rd to new bike/ped facilities on NE 47th Ave using new bridge over Columbia Slough or improvements to existing bridge.
NEW	Portland	Portland	Cully Blvd Multimodal Improvements	NE Cully Blvd (Columbia - Lombard)	Add curbs, sidewalks and bike facilities on NE Cully Blvd between Lombard and Columbia.
NEW	Portland	Portland	52nd Ave Railroad Overcrossing	NE 52nd Ave (Columbia - Portland Hwy)	Add a pedestrian overcrossing of the railroad tracks at 52nd Ave to provide access from neighborhoods to major destinations north of Columbia Blvd. Includes new enhanced crossings of Columbia and Lombard.
NEW	Portland	ODOT	Cully Park, Phase 2 Transportation Improvements	NE 72nd Ave & Lombard St NE 75th Ave & Lombard St	Upgrade 72nd Ave traffic signal, add new traffic signal at 75th Ave, and improve 75th Ave with sidewalks to serve as a new entrance to Cully Park, as required by the traffic impact analysis for Cully Park, Phase 2.
NEW	Portland	Portland	60th Ave Multimodal Improvements	NE 60th Ave (Columbia - Lombard)	Upgrade 60th Ave connection with sidewalks under railroad bridge. Upgrade traffic signals at Columbia and Lombard.
NEW	Portland	Portland	Piedmont Bikeway Network Improvements	N Vancouver Ave (Columbia Slough Trail - Stafford) N Albina Ave (Bryant - Winchell) N/NE Baldwin St (Albina - Rodney) N Mississippi Ave (Bryant - Buffalo) N/NE Buffalo St (Mississippi - 8th) N Commercial Ave (Bryant - Baldwin) NE Rodney Ave (Bryant - Baldwin)	Enhance bike lanes on N Vancouver between Stafford and Columbia Slough Trail, and enhance crossing of Vancouver at Columbia Slough Trail. Add bike lanes to Albina from Bryant to Lombard, and provide a neighborhood greenway on Albina from Lombard to Baldwin. Provide a neighborhood greenway on Baldwin St, with an enhanced crossing of Vancouver Ave. Provide a neighborhood greenway on Buffalo St, with enhanced crossings of Albina, Vancouver, and MLK. Provide neighborhood greenways on Commercial and Rodney (or Williams if feasible) across Lombard.

TSP ID	Lead Agency	Facility owner	Project name	Project location	Project description
NEW	Portland	Portland	Interstate/Argyle Ped/Bike Improvements	N Interstate PI (Columbia Blvd - Interstate Ave) N Argyle St (Denver Ave - Columbia Blvd)	Provide pedestrian and bicycle facilities on Interstate Place and Argyle St between Interstate Ave and Columbia Blvd.
NEW	Portland	ODOT	Winchell Street Ped/Bike Overcrossing	N Winchell St (Interstate - Albina) N Albina Ave (Winchell - Baldwin)	Build a pedestrian and bicycle overcrossing of I-5 at Winchell St, and provide a neighborhood greenway on Winchell St from Interstate Ave to Albina Ave and connecting down to Baldwin.
NEW	Portland	Portland	8th/13th Ave Neighborhood Greenways	"NE 8th Ave (Bryant - Holland) NE Holland St (8th - 13th) NE 13th Ave (Holland - Holman)"	Provide neighborhood greenways on 8th Ave, Holland St, and 13th Ave. Neighborhood greenway on 13th Ave includes an enhanced crossing of Dekum St and improvements to the pathway adjacent to Woodlawn Park.
NEW	Portland	Portland	11th/Lombard/Columbia Multimodal Safety Improvements	NE 11th Ave (Holland - Columbia)	Improve NE 11th Ave railroad crossing safety and multimodal connectivity by improving roadway with sidewalks and bike lanes, adding a traffic signal at 11th & Columbia, and re-routing traffic currently using Lombard Place to use 11th Ave instead to access Lombard St. Includes signal rebuild and realignment at 11th & Lombard. Provide a bicycle connection south from Lombard to Holland as part of the project.
NEW	Portland	Portland	Woodlawn to Columbia Slough Connector Trail	NE 11th Ave (Columbia Blvd - South Slough Levee) South Slough Levee (11th Ave - Columbia Slough Trail)	Provide a bikeway connection using 11th Ave right-of-way and through private property to the south Columbia Slough levee, then along levee to connect to Columbia Slough Trail near MCDD.
