Purpose of proposed legislation and background information:

- This resolution clarifies City Council's role in the COVID-19 response, linking the ECC and other Bureau efforts with City Council in a public hearing setting
- aligns City's Council's COVID-19 response with City Council's adopted values and goals in existing plans and policies;
- clarifies outcomes that Council wants to see in the COVID-19 response (equity and climate change, in particular);
- adopts a citywide COVID-19: Equity Toolkit
- creates an expectation of a regular, public update to Council about the City's COVID-19 response;
- directs Council staff to create an advisory group to help City Bureaus achieve these stated outcomes

Financial and budgetary impacts:

There are no direct financial and budgetary impacts from this resolution, however, the work that is being directed as a result of it may include budgetary impacts.

Community impacts and community involvement:

The COVID-19 pandemic has had drastic community impacts and will continue to as the City approaches its long-term recovery efforts. This resolution clarifies the holistic approach the City will need to take when engaging in long term recovery which will require deep engagement with community members and organizations. This resolution also directly links to the City wide COVID-19 equity toolkit that outlines how engagement with community should proceed and how City resources should be allocated.
