Hi Tristan

March 31st sounds great. Gives a little time to see what comes out of history repeating itself and the way certain people respond. I hope I am not sounding rude to you this is no way directed at you. I hope you understand we all as humans do not have the same perception of events. If anything changes I will email you but as it stands now March 31st is acceptable thank you so much for your time

Sincerely

Toni Davis

I sent an email yesterday stating that I would like to be placed on a communication list and my reason was for addressing the issue of 10 wheeler not speaking to the public on the riots that are occurring again. Well I see that he addressed them so my subject of matter would be what he's going to do about it instead of talk. I would appreciate the dates available thank you

Sincerely
