

ORDINANCE No. 150037

An Ordinance amending provisions of Title 17 of the Code of the City of Portland to define concessions and display kiosk permit holder responsibility for kiosk repairs, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. Section 17.27.055 designates the maintenance responsibility of a concession or display kiosk permit holder but does not define for purposes of general information of the permit holder his financial responsibility for repairs.
2. That the Code therefore should be amended to show this responsibility for the benefit of the permit holder.

NOW, THEREFORE, the Council directs:

- a. That Section 17.27.055 of Chapter 17.27 Kiosks, of the Code of the City of Portland be amended by adding to it the following language:

17.27.055 Maintenance and repairs to concessions and display kiosks by permit holder. Permit holders are responsible for all maintenance of display and concession kiosks. No permit holder shall repair a kiosk without the City Engineer's approval. Permit holders are not responsible for repairs necessitated by acts of vandalism, acts of God, acts of third parties over whom the permittees have no control, or any other damages arising other than from the fault of the permittee.

Section 2. The Council declares that an emergency exists as to defining generally the responsibility for kiosk repair cost to a permit holder; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
