

# ORDINANCE No. 150080

An Ordinance authorizing the Purchasing Agent to call for bids to furnish Radio Control and Matrix Switching Equipment for the Bureau of Electronic Services, authorizing a contract, authorizing the drawing and delivery of warrants, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Electronic Services requires Radio Control and Matrix Switching Equipment for use in the Emergency Medical Services Dispatch System;
2. Funds for this purchase were approved by the Council in Ordinance 150026.

NOW, THEREFORE, the Council directs:

- a. The Purchasing Agent shall advertise for bids, using specifications filed in his office on July 17, 1980, and in the event that no satisfactory bid is received, he shall readvertise on the same basic specifications until a satisfactory bid is received.
- b. The Mayor and the Commissioner of Public Works hereby are authorized to execute a contract with the responsible bidder for the items described in Section 1 hereof in accordance with specifications filed with the Purchasing Agent on July 17, 1980.
- c. The Mayor and the Auditor hereby are authorized to draw and deliver warrants chargeable to the 1980-81 Budget, Electronic Services Operating Fund, Bureau of Electronic Services, (36000201.640) when demand is presented, approved by the proper authorities.

Section 2. The Council declares that an emergency exists because a delay in proceeding with the purchase may result in additional expense, and will unnecessarily deprive the City of the benefits of completion of the contract at an early date; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
