Purpose of proposed legislation and background information:

- The purpose of this legislation is to have City Council accept \$2 million from ODOT and authorize the IGA.
- The Active Transportation Division of PBOT identified NE Shaver as a priority proposal for ODOT's Safe Routes to School Competitive Infrastructure Grant Program.
- The NE Shaver project will address the lack of sidewalks and safe crossings along NE Shaver NE 102nd and NE 115th.
- This project impacts students at three schools within the Parkrose School District – Prescott Elementary, Parkrose Middle and Parkrose High.

Financial and budgetary impacts:

- The total cost of the NE Shaver Project is \$2,500,000.
- It is project number T01126.
- Local match in the amount of \$500,000 will be provided by funds from already programmed Fixing Our Streets Safe Routes to School program funds for projects projected to start in 2021 and continue through 2023.

Community impacts and community involvement:

- PBOT collected letters of support for this grant from the Parkrose School District and the Parkrose Neighborhood Association.
- Through PBOT's Fixing Our Streets Safe Routes engagement process, the lack of sidewalks and safe crossings on NE Shaver were identified by parents as a safety concern and barrier for families walking to Prescott Elementary, Parkrose Middle and Parkrose High.
