JOINT OFFICE OF HOMELESS SERVICES
INTERGOVERNMENTAL AGREEMENT (CONTRACT # 30005335)**

This NINTH AMENDMENT TO THE JOINT OFFICE OF HOMELESS SERVICES INTERGOVERNMENTAL AGREEMENT (this “Ninth Amendment”) is made and entered this 1st day of November, 2020 (the “Effective Date”), by and between Multnomah County (the “County”) and the CITY OF PORTLAND, a municipal corporation of the State of Oregon, acting by and through the PORTLAND HOUSING BUREAU (the “City” or “PHB”). The County and PHB may be referred to jointly in this Agreement as the “Parties” and individually as a “Party.”

RECITALS

- A. The County and PHB entered into that certain Intergovernmental Agreement for the Joint Office of Homeless Services dated July 1, 2016 (the “Original Joint Office IGA”).
- B. The Original Joint Office IGA was amended by that certain First Amendment to Joint Office of Homeless Services dated April 18, 2017 (the “First Amendment”), and that certain Second Amendment to Joint Office of Homeless Services dated June 21, 2017 (the “Second Amendment”), and that certain Third Amendment to Joint Office of Homeless Services dated November 8, 2017 (the “Third Amendment”), and that certain Fourth Amendment to Joint Office of Homeless Services dated August 28, 2018 (the “Fourth Amendment”), and that certain Fifth Amendment to Joint Office of Homeless Services effective July 1, 2019 (the “Fifth Amendment”), and that certain Sixth Amendment to Joint Office of Homeless Services effective October 1, 2019 (the “Sixth Amendment”), and that certain Seventh Amendment to Joint Office of Homeless Services dated April 20, 2020 (the “Seventh Amendment”), and that certain Eighth Amendment to Joint Office of Homeless Services dated July 1, 2020 (the “Eighth Amendment”). The Original Joint Office IGA as amended by the First Amendment, Second Amendment, Third Amendment, Fourth Amendment, Fifth Amendment, Sixth Amendment, Seventh Amendment, and Eighth Amendment is referred to herein as the “Joint Office IGA”.
- C. The Parties desire to amend the Joint Office IGA to allocate revised budget for FY20-21 and extend the IGA term by 12 months, as set forth in this Ninth Amendment. The Ninth Amendment revises Exhibit H with the actual awarded FY20-21 budget.
- D. Whereas on March 12, 2020, Mayor Ted Wheeler declared a State of Emergency due to the COVID-19 pandemic, which was extended on March 26, 2020, to allow the City additional authority to deploy resources to address the threat of infection and harm caused by the pandemic.
- E. Whereas the City of Portland is one of several jurisdictions receiving federal stimulus funding through the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which was passed by Congress and signed into law on March 27, 2020, to provide economic assistance for American workers, families, and small businesses.

- F. The FY20-21 budget includes funding specific to responding to the emergency shelter, housing and rental assistance support needs by households experiencing financial loss due to COVID-19, including funds from the U.S. Department of Housing and Urban Development (HUD) through the CARES Act (-CV) to include Community Development Block Grant (CDBG)-CV3 (“third round”) funding, awarded by HUD on September 11, 2020.
- G. The Parties desire to amend the Joint Office IGA to allocate revised budget for FY20-21 funding as set forth in this Ninth Amendment. The revised Exhibit H includes an addition of \$3,600,000 in CDBG-CV3 funds to support COVID-19 emergency shelters to adhere to physical distancing procedures at existing shelters and new spaces. The funds may also be used to increase local inventory of affordable rental housing, permanent supportive housing, and/or hotels or other properties to expand the supply of non-congregate shelter. The funding increases shall be deemed a **Voluntary Funding Increase** pursuant to Section 11.10 of the IGA. The revised Exhibit H is included as Attachment 9-1.
- H. Other Federal Resources: The County agrees to use reasonable efforts to seek reimbursement for eligible expenses associated with COVID-19 Federal Emergency Management Agency (FEMA) Stafford Act programs. Provided, however, the County will follow FEMA guidance regarding reimbursement eligibility for expenses paid from CARES Act funds, as provided at Section 312 of the Stafford Act (42 U.S.C. 5155).

For any program where federal COVID-19 funds are an eligible use (ESG-CV, HOPWA-CV, CDBG-CV), those resources should be used prior to City General Fund resources, (except that City General Funds may be used as a basis for seeking FEMA reimbursement), prioritized by fund expiration date, provided that the County shall ensure that federal COVID-19 funds are available to cover any expenses that FEMA does not reimburse. The County agrees to provide the City with quarterly reports on FEMA reimbursement activities, including expenses subject to this agreement that have been submitted for FEMA reimbursement and reimbursements received. The City and County shall consult on a quarterly basis regarding COVID related expenditures.

Attachment 2
Description of Use of Federal CDBG-CV3 Funds and COVID-19 Response

Consistent with what is in our Consolidated Plan and annual Action Plans, funds will be allocated to the City/County Joint Office of Homeless Services (JOHS) to work with project sponsors.

The Joint Office of Homeless Services intends to use CDBG-CV3 funds to respond to the intersection of COVID-19 and community members suffering housing insecurity. This includes funding COVID-19 emergency shelters in support of physical distancing of existing shelters and new spaces. The funds may also be used to increase local inventory of affordable rental housing, permanent supportive housing, and/or hotels or other properties to expand the supply of non-congregate shelter.

CDBG-CV3 funds will comply with the Duplication of Benefits requirement and will not be used to support activities (for instance shelter services) concurrently funded by other federal sources. Funds are intended to be expended in Fiscal Year 2020-2021.
