ORDINANCE NO. 150140

An Ordinance granting a revocable permit to Sunwest Promotions for a fireworks display at Rose City Speedway on Aug 3, 1980, under certain conditions, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. That Sunwest Promotions has heretofore filed a request for a revocable permit to have a fireworks display at the Portland Speedway on August 3, 1980 at 9:45 pm.
2. That under the provision of ORS Chapter 480, the sales and use of fireworks in the State of Oregon are prohibited except under certain circumstances therein recited.
3. That the request has been approved by the Fire Marshal, as ex officio Assistant State Fire Marshal by provisions of ORS 476.060, who, under authority of ORS, Chapter 480, and pursuant to section 31.44.250(b) of the Code of the City of Portland, has authority to grant a permit in the name of the State Fire Marshal.
4. That the Council further finds that by the provisions of the State law permitting such displays, the same shall be under the supervision of the Chiefs of the Bureaus of Fire and Police.

NOW, THEREFORE, the Council directs:

- a. That the action of the Commissioner-in-charge of the issuing of the permit be ratified and that a revocable permit hereby be granted to Sunwest Promotions to stage a fireworks display at Rose City Speedway on August 3, 1980 at 9:45 pm; that such display shall be under the control and supervision of the Chief of the Bureau of Police and the Fire Marshal, Bureau of Fire, and shall be staged in conformity with the regulations and limitations set forth in ORS Chapter 480, and the rules and regulations promulgated under authority of said chapter by the State Fire Marshal, under the following conditions:
 1. The permittee shall have first filed with the Auditor of the City of Portland, on a form approved by the City Attorney, an insurance policy or certificate of insurance in the sum of \$500,000.00 for bodily injury and property damage. Said insurance is to protect the City of Portland, its officers, agents and employees.
 2. The display shall be limited to the fireworks specifically listed in the application to the State and City Fire Marshals for the date and place therein designated.

3. The display, handling, and transportation of fireworks shall be under the direct supervision of Mr. Paul Carr, 219 Charles Pl., Newberg, Oregon 97132.
4. No explosive storage is allowed within the City limits of Portland without approval from the Fire Marshal's office. All fireworks used in a display are to be brought into the City of Portland no more than 6 hours prior to the display.
5. The permittee shall effectively supervise the fireworks display to prevent unauthorized persons from entering within the firing range of any fireworks device or within 50 feet of any shed, truck or magazine in which the fireworks are stored. All combustible debris, defective and/or unfired fireworks shall be removed from the premises and the City of Portland within 6 hours of the final display. The fireworks shall be returned to their original storage vaults.
6. The firing platform or location shall not be closer than 400 feet to any audience, combustible structure, occupied parking lot, or land bearing a combustible crop.
7. Fireworks stored on the premises of the display site shall be stored in an approved, secured, Class II magazine bearing lettering three inches high, "EXPLOSIVES. KEEP FROM FIRE".
8. Fireworks displays conducted in areas that contain dry grass should be wet down before firing the display.
9. The Chief of Police, the Fire Chief, the Fire Marshal, or their designated representatives, may stop or cancel the authorized display in the event conditions develop which might tend to endanger lives or property.
10. Two (2) Class 2A fire extinguishers shall be provided in the firing area and personnel shall be knowledgeable in their use and operation.
11. No fireworks displays shall be held during any windstorm in which the wind reaches a velocity of more than twenty miles per hour.
12. Smoking shall not be permitted in the firing area.

Section 2. This permit shall not be in force and effect until and unless the permittee shall have firstfiled with the Auditor of the City of Portland, in form approved by the City Attorney, a document in writing accepting the terms and conditions of this ordinance.
