2. That under the provision of ORS, Chapter 480, the sale and use of fireworks in the State of Oregon are prohibited except under certain circumstances therein recited.
3. That the request has been approved by the Fire Marshal, as ex officio Assistant State Fire Marshal by provisions of ORS 476.060, who, under authority of ORS, Chapter 480, and pursuant to Section 21.44.250(b) of the Code of the City of Portland, has authority to grant a permit in the name of the State Fire Marshal.
4. That the Council further finds that by the provisions of the State Law permitting such displays, the same shall be under the supervision of the Chiefs of the Bureaus of Fire and Police.

NOW, THEREFORE, the Council directs:

- a. That the action of the Commissioner-in-charge of the issuing of the permit is ratified and that a revocable permit hereby is granted to Lloyd Corporation to stage a fireworks display on the Parking Lot between 13th, 14th, Multnomah and Holladay Streets on August 8, 1980 at approximately 9:00 p.m., as a feature of the Lloyd Center Birthday Anniversary that evening. 2. Display to consist of ground and set pieces only. No aerial, sky rockets or mortars.
 3. The display, handling, and transportation of fireworks display shall be under the direct supervision of John Sinclair, 2470 NW Westover, Portland, Oregon.

 5. Firing platforms shall not be located closer than 150 feet from any audience or 200 feet from any combustible structure, occupied parking area, and 50 feet from the nearest aboveground power, telephone, or telegraph line or other overhead obstruction.

 7. Two Class 2A fire extinguishers shall be provided in the firing area, and personnel in the firing area shall be knowledgeable in their use and operation.
 8. A minimum of eight (8) security personnel shall secure the display/discharge and storage area.
 9. Fire extinguishing equipment shall be provided by Lloyd Corporation of Portland, Oregon, in the firing area, with a fire watch for thirty (30) minutes following the display.
 10. No smoking shall be allowed within 50 feet of the display firing area.
 11. The fireworks are to be stored in a Class I magazine prior to and after the display. All unused shells are to be immediately returned to their magazine at the conclusion of the display and removed from the City within a six hour period.
 12. A Chain link fence will be erected around the perimeter of the display area for crowd control.

Section 3. The Council declares that an emergency exists because prompt enactment is required in order that the ratification of the granting of the permit may be made and the required documents heretofore filed with the Auditor may be attached and recorded without delay; therefore, this Ordinance shall be in force and effect from and after its passage by the Council.
