

## ORDINANCE NO. 150213

An Ordinance transferring appropriations within the Housing and Community Development and General Funds; increasing appropriations in the Bureau of Economic Development in the amount of \$50,000 for the continuing support of the special business assistance program for in-City businesses to be displaced by the Powell Boulevard Phase II Street Improvements Project; and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. Pursuant to Ordinance No. 149541, the Council authorized the preparation of a special business assistance program for the in-City businesses to be displaced by the Powell Boulevard Phase II Street Improvements Project by the Bureau of Economic Development. The Council also directed the allocation of \$50,000 in Housing and Community Development funds to support this special business assistance project.
2. From the total HCD funding of \$50,000, no expenditures were made during FY 1979-80. Therefore, a balance of \$50,000 is available for carryover into the FY 1980-81 budget of the Bureau of Economic Development.
3. It was not possible to estimate the amount of HCD funds available at the end of FY 1979-80 during the FY 1980-81 budget process.
4. It is now appropriate to carry over these resources into the FY 1980-81 Bureau of Economic Development budget in order to continue support for the program for which the funds were originally appropriated.

NOW, THEREFORE, the Council directs:
