ORDINANCE NO. 190418

*Authorize a three-year Intergovernmental Agreement with Portland State University to partner on projects and planning related to emergency management not to exceed \$500,000 (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Portland Bureau of Emergency Management's (PBEM) purpose is to centralize leadership and coordination of emergency management.
2. To achieve its mission, PBEM must rely on research and data, and build strong partnerships in the community and between and among bureaus.
3. Portland State University (PSU) and PBEM have a mutual interest in advancing research and partnerships, and a history of partnering on planning and resilience projects, and in leveraging philanthropic funding to enhance the partnership with PBEM.
4. PSU is committed to exploring how to best "Let Knowledge Serve the City," and has a long history of orienting its educational, outreach, and discovery missions to benefit Portland.
5. PBEM is interested in entering into an Intergovernmental Agreement (IGA) with PSU to provide research, technical assistance, data collection and analysis, planning, and facilitation services.

8. The established cost is not to exceed \$500,000 over a three-year period.

NOW, THEREFORE, the Council directs:

- A. The Director of PBEM is authorized to enter into an IGA with Portland State University in a form substantially in conformance with the agreement attached as Exhibit A.
