Article 8: Voting

Membership Voting Eligibility: A person will qualify to vote as a resident first. If they are not a renter or homeowner, then the individual may be the one representative of real property, business, nonprofit, school, church or other legal or civic organization within Boise boundaries.

Voting Process: Voting members must sign-in and register at meetings in which they vote in accordance with the law. Each qualified member, as noted above, shall have one vote per person or organization to be cast during attendance at any general or special meeting. No absentee, voting by mail or proxy voting or similar types of voting is allowed.

Unless declared or requested other wise, voting issues will be decided by simple Majority of qualified voters at that meeting. This includes voting for Board members, committee chairs, "housing-keeping issues", general community issues and other issues as brought before the Board or general body of the BNA.

Voting at meetings may be done orally, by a show of hands, or by a written ballot that contains the name of the member voting and the vote of that member. For election of officers, board members, and other representative and delegates, voting may be done by secret ballot. Upon the request of any voting member, a show of hands shall follow an oral vote. Anyone wishing to see written ballots may do so at the meeting or anytime thereafter before the ballots are discarded. Written ballots must be retained for a period of 60 days after the vote and then may be discarded.

The Chair or Co-Chair may call for a non-binding straw vote. The Chair or BNA member may ask for a vote by Consensus. This shall be seen as a vote for the matter at hand with all qualified members voting as Yea or abstaining and any abstainers counted and reported. The vote may be by show of hands or as a voiced vote. Names need not be recorded with a consensus vote.

Special elections or votes need not be only held during meetings but may be kept open for up to 24 hours as determined by the board. If the board determines to hold the vote open for 24 hours, rather than during a meeting, there will be a general membership vote which will pass by majority. This process for special elections of voting will not apply to other voting needs such as for board members, committee chairs, "house-keeping issues", general community issues and other issues as brought before the Board or general body of the BNA.

By request from any BNA member and with the approval of a simple majority, a special election may be used to vote on issues that materially affect a street or large geographic area of the community. Issues or changes that are seen as changing the charter of the community or changes which impact a full street will require a 2/3 of the vote to be implemented. This specifically exclude votes for officers, single developers requests, issues involving individual lots or development and issues that have limited application.

The BNA will allow other voting methods as revised by the city and/or the Office of Neighborhood Involvement(ONI) when requested by a BNA member and voted by simple majority by the general body of the BNA.

Ballots: Ballots for written votes shall be numbered to match the sign-in sheet. The ballot shall have two parts with the same number on the top and bottom. Part one of each ballot shall contain space to list the issue[s] or people being voted on. A spaces for Yea, Nay or abstain for each item up for a vote.

The second part of the ballot with the same number and able to be separated from the voting ballot at the time of the count. This will include a request for the full name of the voter, printed, the address that qualifies them to vote in a BNA election, their phone number, a request for home address if different from qualifying address and a signature line.

The ballots shall have the names removed prior to the counting of ballots. Both ballots and qualifying information shall be retained. Anyone wishing to see written ballots may do so at the meeting or anytime thereafter before the ballots are discarded. Written ballots must be retained for a period of 60 days after the vote and then may be discarded.
