Presenter name: Christina Owen

Purpose of proposed legislation and background information:

The ordinance listed above must be passed by Council to prepare the City for the beginning of a new fiscal year on July 1, 2021. This item levies City property taxes in the amount of \$638,988,767 and urban renewal collections of \$142,578,608 for FY 2021-22.

Financial and budgetary impacts:

The ordinance will raise an estimated \$594,324,869 (net of compression, delinquency, and discounts) in City property taxes for FY 2021-22. Urban renewal collections noted above will also be collected net of compression, delinquency, and discounts.

Community impacts and community involvement:

This action levies property taxes for FY 2021-22 in order to fund basic City services. The City's annual budget includes multiple programmatic changes that will impact the community. These programmatic changes invest resources and reallocate internal resources into bureau programs as articulated in the Approved Budget. A five-member Community Budget Advisory Board was invited to sit in on budget discussions with the Mayor and Council as the budget was developed. There were seven work sessions held to discuss the FY 2021-22 Budget process between March 7- April 1, 2021. Council conducted three virtual listening sessions in April as well. Public comment has been solicited on the City Budget Office website, and in accordance with Oregon Local Budget Law, live public testimony was received on May 5th through a virtual community meeting and during the hearing held on May 13, 2021. Council members receive weekly emails from the CBO compiling the written comments received by the public through the online portal.

100% Renewable Goal:

This action does not directly impact the 100% renewable goal.
