

**IMPACT STATEMENT**

**Legislation title:** Amend Harbors Code to revise usage of the Duckworth Dock Moorage and remove gender specific language (Ordinance; amend Code Chapter 19.16)

**Contact name:** Matt Grumm and Sean Whalen  
**Contact phone:** 503-823-8753 and 503-209-8109  
**Presenter name:** Matt Grumm and Sean Whalen

**Purpose of proposed legislation and background information:**  
Update gender specific language to gender neutral.

The Kevin J. Duckworth Memorial Dock is now fully under the control and ownership of the City of Portland. It has been identified as a location appropriate for non-motorized recreational boating as well as unsupervised swimming. As such, Title 19 must be amended to allow these uses.

**Financial and budgetary impacts:**

There is no financial or budgetary impact with this legislation. It will not impact current operational or maintenance obligations.

**Community impacts and community involvement:**

The non-motorized recreational boating and swimming community are very supportive of this legislation. PBOT has not received complaints from the motorized boating community since changes were implemented at Duckworth Dock two years ago.

**100% Renewable Goal:**
