

Advancing Housing for Health: Donation of Land Parcel for Affordable Housing

July 8, 2021 – N/NE Oversight Committee

**Ruth Adkins, Government and Community Relations
Dan Field, Executive Director, Community Health & External Affairs**

Kaiser Permanente's Housing for Health Strategy

Our mission: to provide high-quality, affordable health care and to improve the health of our members and the communities we serve

Transform Care

**Strengthen
Homeless
Response
Systems**

**Prevent
Homelessness**

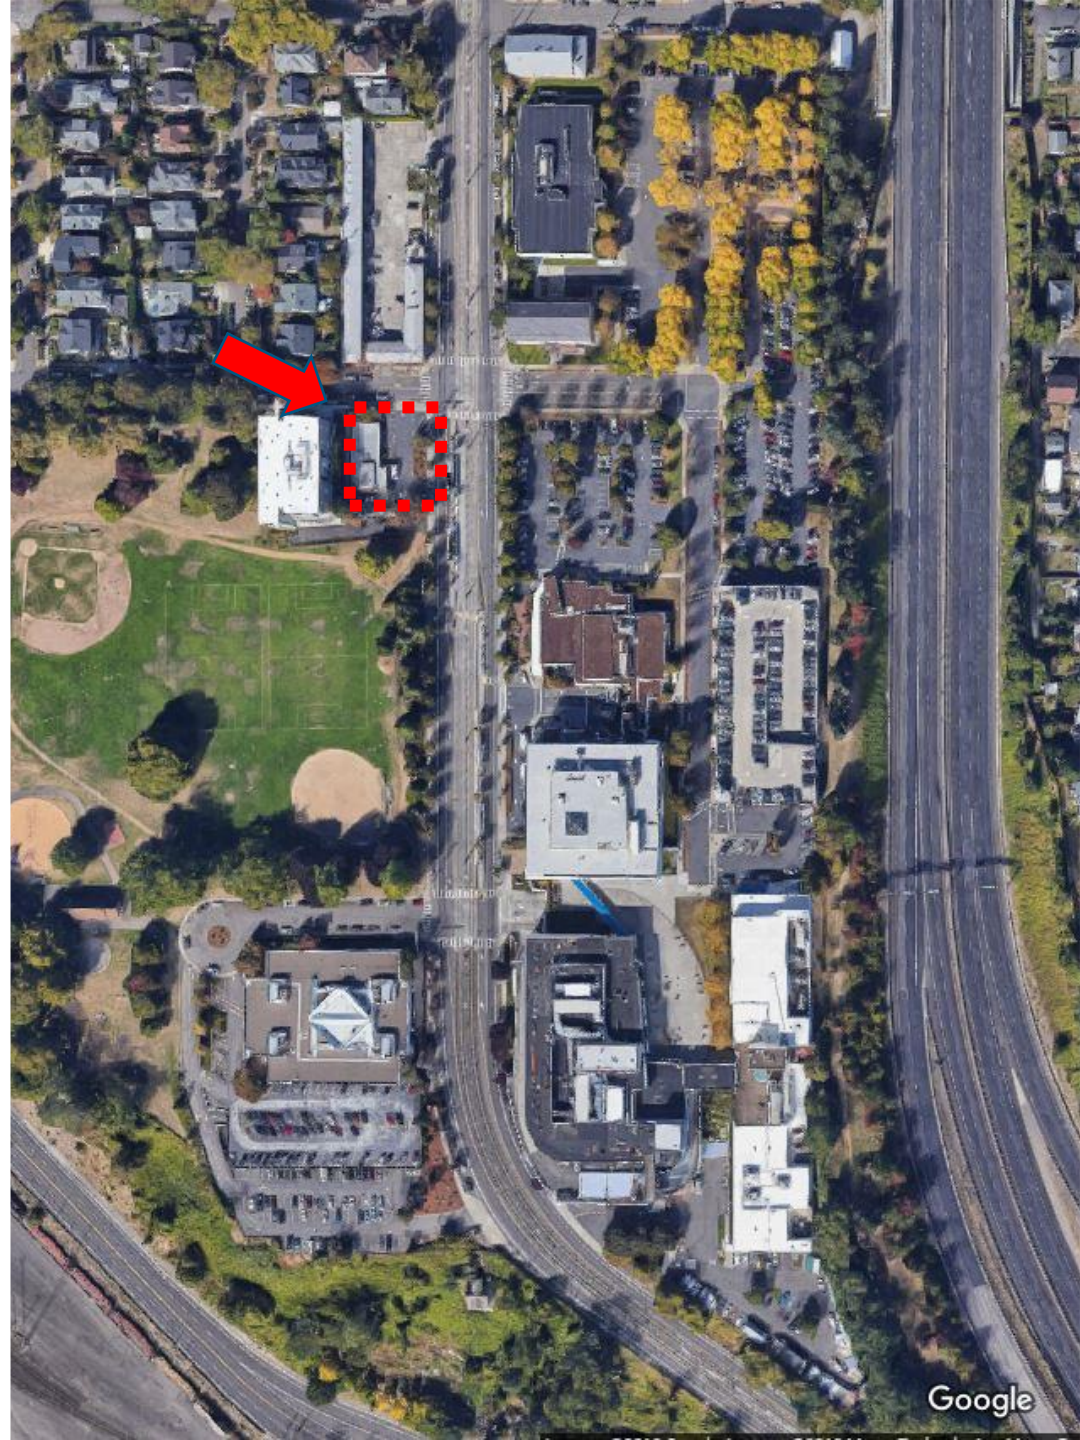

**Increase
Affordable
Housing
Supply**

We have invested over \$15 million to date in Housing for Health partnerships across our Oregon/SW Washington service area

Proposed donation: 3715 N. Interstate

- Adjacent to Kaiser Permanente's Interstate Medical Office campus
- Total 0.3 acres
- Appraised value \$1.5 million (as of Sept. 2020)
- Donation contingent on PHB's solicitation of a qualified nonprofit developer
- Site must be used for affordable housing, in accordance with the Metro Bond Local Implementation Strategy and N/NE Preference Policy

Partnering for housing opportunity

- Kaiser Permanente is honored to partner with the Portland Housing Bureau and the community to transform this site into safe, stable, affordable housing.
- We are excited to see the project take shape through community engagement, and we look forward to welcoming our new neighbors.

Thank you!
