

ORDINANCE No. 151084

An Ordinance amending Title 21, Water Code of the City of Portland, by adding a section empowering the Water Bureau to discontinue water service to customers who fail to provide a written application, deposit or both, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. That the Bureau of Water Works has established a procedure which requires an application, deposit or both on all new customers, customers shut off for non-payment, and those customers with unsatisfactory credit moving within the Bureau's jurisdiction.
2. The code does not provide for the requirement of an application, deposit or both from water customers.

NOW, THEREFORE, the Council directs:

- a. Chapter 21.16 Rates and Charges of Title 21 of the Code of the City of Portland is amended to read as follows:

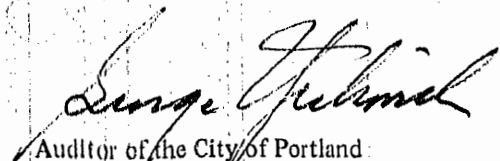

21.16.085 Deposit and Application. An application, deposit, or both for water service may be required from all new customers, customers shut off for nonpayment, or those customers with unsatisfactory credit moving within the Bureau's jurisdiction. Unsatisfactory credit is defined as shut off for nonpayment within the past year. Failure to provide either the application, deposit or both within the due date specified by the Water Bureau may result in discontinuance of service.

Section 2. The Council declares that an emergency exists in order that there may be no unnecessary delay in implementing the deposit and application procedure for the Bureau of Water Works; therefore, this ordinance shall be in force and effect from and after its passage by the Council.
