

ORDINANCE No. 150932

An Ordinance creating one position of Automotive Mechanic (1532) and abolishing one position of Automotive Servicer II (1235), and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. In order to improve the mechanical repair capability of the Bureau of Fleet Management, and improve services to user bureaus, one position of Automotive Mechanic should be created and one position of Automotive Servicer II should be abolished.
2. The additional cost is \$1,250.00 for the balance of the fiscal year. These funds are available in the bureau's budget.
3. There will be no rate changes due to this reclassification, but service levels will improve.

NOW, THEREFORE, the Council directs:

1. One position of Automotive Servicer II is abolished and one position of Automotive Mechanic is created in the Bureau of Fleet Management.

Section 2. The Council declares that an emergency exists because the position change needs to be made in order to increase Bureau performance and productivity; therefore, this Ordinance shall be in effect from and after its passage by the Council.
