## 190512

Emergency Ordinance

### **\*Authorize contract with Adidas America, Inc. in the amount of \$90,000 for anticipated power and maintenance costs for the following thirty years for a new traffic signal at N Greeley Ave and Adidas' Driveway**

Passed

The City of Portland ordains:

Section 1. The Council finds:

1. Adidas intends to fund and construct a traffic signal at the intersection of N Greeley Ave and adidas' driveway entering private property, and after construction completion and City acceptance, the City will be responsible for all future maintenance and repair of the traffic signal; and
2. As this traffic signal will solely serve adidas employees and guests, Adidas has prepared a standard maintenance agreement to provide the City with a lump sum payment in the amount of \$90,000 to cover anticipated power and maintenance costs for the traffic signal for the following thirty years (Exhibit A); and
3. The City has a commitment to invest in external partnerships, including clarifying the priorities and expectations for each relationship; and
4. The City has a commitment to reducing its unfunded maintenance liability by recouping costs associated with maintenance of traffic signals that solely serve private entities such as Adidas; and
5. The City has an interest in creating a transportation system that is safe, comfortable, and accessible to people of all ages and abilities

The maintenance agreement states that adidas will pay the City a lump sum amount of \$90,000 for thirty years'-worth of maintenance (estimated at \$3,000 per year for thirty years).

NOW, THEREFORE, the Council directs:

- A. That the Director of the Portland Bureau of Transportation is hereby authorized to execute the standard maintenance agreement with Adidas as attached.
