Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

Living in Sellwood-Moreland I would like you, DOZA, to adopt the design standards set forth by SMILE. I live in the area and my daughter has her home in the area. I would like the livability to not deteriorate and we become just another urban scar on the earth. All our grandchildren would be happy to raise their families here if you respect and balance growth with beauty. Growth with no feelings or love for a neighborhood is akin to a cancerous growth on the body. Thank you for listening.
