Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

I am a Sellwood resident and lifelong Oregonian. I have also worked as a home designer for 20 years. I would like to see more design review for commercial and multi family buildings in Sellwood-Moreland. I want the design standards recommended by SMILE added to DOZA. My hope is that while we encourage growth and affordable housing we can keep the character of individual neighborhoods!
