Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

I want the design standards recommended by SMILE added to DOZA so there is better building design in Sellwood-Moreland. I specifically bought in the city and in this neighborhood because of the look and feel. I could move a mile down the road to Clackamas County and get twice the house and half the taxes, but made the choice to live in Sellwood because of its design features.
