Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

The overlay map does not show anything attaching or overlaying onto my property yet your page says that there is a environmental overlay on my property. I do not understand any of this and I would appreciate a phone call to explain it to me. I also did not consent nor will I allow any overlay zoning on my property without my express written permission. Martin Kehoe 503-970-1111
