Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

To Mayor Wheeler and Portland City Council: Thank you for your attention to improving the DOZA policy proposals. I am writing in support of Amendments 3, 5 and 8. In addition, I urge you to extend the timeline for comments and to hold a second hearing with sufficient public notice so community members and organizations can have time to understand this complex and important issue and provide meaningful input. One week is not adequate and our city can and should do better. Thank you, Karen Girard
