Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

Please see the attached Richmond Neighborhood Association testimony , our adopted Main Street Design Guidelines for Hawthorne and Division, we have also adopted the Special Buildings List for Hawthorne and encourage the many buildings on this list be used to update the Historic Resources Inventory which is missing many of these buildings. Finally, we would ask that you extend the deadline for comments as many communities are unaware of this project

Testimony is presented without formatting.
