Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

Please DE-FUND PBOTch stop one-way hell mazes and excessive \$\$\$s for unused bike-lanes reserved for a small minority of over-privileged Portlanders who ride wherever they want, in any direction they want, while we suffer along with our local businesses. Stop the Bull-DOZA from making it worse. Do whatever you want in the greenfield building areas and LET PORTLAND HEAL by doing what got us here --- not psuedo-science perpetrated by outside interests. Please have a heart for your neighbors ahead of whatever it is that is driving you to un-do Portland.

Testimony is presented without formatting.
