Testimony to **Portland City Council** on the **Design Overlay Zone Amendments, Recommended Draft**

At the May 12 DOZA hearing there was concern about neighborhoods appealing design review to block housing projects. The Sellwood-Moreland Improvement League (SMILE) has not filed an appeal of any type in about 10 years, during which time over 1200 housing units have been added to our neighborhood, an increase of 20% since 2015.
