Subject: Central Northeast Neighbors Coalition Board Requests City Council delay voting on Design Overlay Zone Amendments for 120 Days

Honorable Mayor Wheeler and City Commissioners,

I am writing to you today, on behalf of the Central Northeast Neighbors Coalition Board. On June 2, 2021, Central Northeast Neighbors Board voted unanimously to request Portland City Council delay voting for 120 days on the proposed Design Overlay Zone Amendments (DOZA).

DOZA is important and relevant for our city as a whole and time needs to be taken to offer the opportunity to examine these amendments. We believe Council should allow more time for people to review and make comments before Council votes.

Thank you so much for your consideration to give us all more time to discuss proposed changes and make comment.

Sincerely,

Douglas Fasching

Board President

Central Northeast Neighbors Coalition
