Presenter name: Tiffani Penson

Purpose of proposed legislation and background information:

Establish a grant agreement with State of Oregon acting by and through its Department of Education, Youth Development Division for the use in the Community Outreach and At-Risk Youth Intervention Program for the Portland Opportunities Industrialization Center (POIC) + Rosemary Anderson High School (RAHS) Work Opportunities Training Internship Program. Over the years, City of Portland has had a history of investing in young people through funding various programs in the areas of after school and recreational activities, youth employment programs, creating seasonal job training, work experience, internship and job shadowing opportunities. Since 2007, City Council has approved funding for youth employment and career preparation and encouraged those in the Summer Youth Employment Program (SYEP) as coordinated by the Bureau of Human Resources (BHR) [Ordinance No. 180874, 181765, and 182138]. Subsequently Council directed this effort to be known as the Summer Youth Connect/SummerWorks Employment Program coordinated by the Mayor's Office [Ordinance No. 182811, 185998, 186648, 188535, 190097]. The proposed legislation does not change policies.

Financial and budgetary impacts:

Funding for this grant is available in the FY 2020-21 adopted budget.

Community impacts and community involvement:

Working with the various high schools within the City of Portland, the POIC + RAHS Work Opportunities Training Internship Program has developed a comprehensive training internship program, which includes two main types of internships:

- Introductory Wage-Based internships (160 hours) – Remote and in-person work experiences. Youth earn an hourly wage at partner work sites in industries such as retail, hospitality, culinary, nonprofit, and more.
- Advanced Wage-Based Training, Internships, and Job Placements (200+ hours) – Youth earn wages for participation in a training program that links them to career-track employment in industries such as construction, local government, healthcare, IT, and more.

POIC+RAHS provides a continuum of education, career, and family services. From reintroducing houseless teens to the classroom, to pairing gang-affected students with meaningful career opportunities, to helping youth experiencing domestic violence find

stability and hope through mentorship - POIC+RAHS helps youth and adults reimagine and rewrite their life stories.

100% Renewable Goal:

This action has no impact on the City's renewable energy goal.
