Subject: City boycott of Texas goods & services
Date: Saturday, September 4, 2021 7:22:39 PM

Hello City Councilpersons,

The KOIN news site recently posted an article about a potential City Council emergency vote for Portland to boycott goods & services from companies based in Texas if the abortion restrictions are signed into law.

Please advise customers of Texas based **Waste Management** if the city will be able to provide garbage & recycling collection services to Portland neighborhoods currently served by Waste Management?

<https://www.koin.com/news/portland/texas-abortion-restrictions-trigger-potential-portland-boycott/>

Thank you,
Cicely Keirnan
