Based on your decision to boycott Texas due to the heartbeat bill, and your communist beliefs, every public servant in Portland i.e. mayor, city council prosecutors, judges etc, should vow to stay in Portland since the rest of America including most of Oregon believe that all humans are created equal with the same rights by our Creator God in Heaven. Therefore, Portland city council should be restricted to the city limits of Portland. Do not leave Portland and do not expect to rely on the rest of the Free world America to take care of you pathetic communists that frankly should be in prison for being communists in America. Do you not understand that the U.S. constitution guarantees a REPUBLICAN FORM OF GOVERNMENT, therefore all you communist are in violation of U.S. law. You need a real education. Not indoctrination as so obvious by your political ideology. Stay in the city limits or face trespassing charges. You are in violation of many laws and will be prosecuted when you leave your criminal sanctuary called Portland
