

# PSC Look Ahead: 2021-2022 (BPS' current workplan)

Updated: October 2021

Planning Projects	Sustainability Projects	Other Bureaus' Projects
<b>FORMAL ROLE (land use, transportation and other projects that come to the PSC for a recommendation to City Council ...)</b>		
1 West Portland Town Center	1 Solid Waste & Recycling Rates (April)	1 Street vacations (PBOT)
2 HB2001 Compliance/RIP2.0		2 Cully Tax Increment Financing (TIF) District (Prosper and PHB)
3 Floodplain Resilience Project		3 2040 Freight (Freight Master Plan update) (PBOT)
4 Naito Main Street/Ross Island Bridgehead		
5 Montgomery Park to Hollywood Streetcar		
6 Elective Vehicle (EV)-Ready Code		
7 Economic Opportunity Analysis		
8 Housing Needs Analysis		
<b>INFORMAL ROLE around the BUILT ENVIRONMENT (non-land use) - Building performance, roads and structures</b>		
9 Earthquake Ready Burnside Bridge	1 Progress Report on Climate Actions and Emissions Inventory	4 Vision Zero (PBOT)
10 Social Justice Zoning Project	2 Establish building performance standards (i.e., regulate existing buildings for carbon and address health and resiliency standards)	5 Streets 2035 (PBOT)
11 SE Rising (Brentwood Darlington)	3 Embodied Carbon Policy (after fill position)	6 Columbia/Lombard Mobility Plan (PBOT)
12 Parkrose	4 Update Green Building Policy (after fill position)	7 Albina Vision Trust (PBOT) 8 Inclusionary Housing review (PHB)
<b>Not Land Use or Built Environment</b>		
13 Anti-Displacement	1 Clean Air Protection Program	
14 East Portland Community Priorities (community input and co-creation phase)	2 Carbon Fee Proposal	
	3 Update renewable fuel standard	
<b>No PSC Role</b>		
15 South Portland Historic Guidelines		

## BPS Programs: Ongoing and Implementation Work

Sustainability Program	Planning Program
<b>Ongoing Work</b>	<b>Ongoing Work</b>
1 Implement energy performance disclosure programs (Home Energy Score and commercial energy reporting).	1 <b>Code Development</b> <ul style="list-style-type: none"> <li>•Edit and maintain the Zoning Code.</li> <li>•Advise teams on how the code is written, structured, implemented and enforced.</li> </ul>
2 Emerging mobility/sustainable transportation work with PBOT (EV in ROW, POEM, freight plan update) and focus on near term recommendations made by POEM task force.	2 <b>Housing &amp; Economic Development</b> <ul style="list-style-type: none"> <li>•Maintain the EOA, HNA and BLI.</li> <li>•Participate in recurring UGB eval process.</li> <li>•Advise other teams on Goals 9 and 10 compliance.</li> </ul>
3 Collaborate with utilities and advocate at OPUC/state legislature on decarbonizing energy supply systems (electricity and gas.) This includes community-based renewable energy, energy resilience (solar + storage), municipal green tariffs, net metering, state renewable portfolio standards, and fossil gas transition, etc.	3 <b>Comprehensive Planning</b> <ul style="list-style-type: none"> <li>•Maintain the Comp Plan.</li> <li>•Advise teams on how the policies are written, structured, what evidence is needed and helping with findings.</li> <li>•School district coordination.</li> <li>•Annexations. Maintain City boundary and Urban Services Boundary.</li> <li>•Maintain the Citywide Systems Plan and participate in the Asset Mangers Group.</li> <li>•Coordinate with PBOT to ensure a strong land use-transportation connection.</li> <li>•Coordinate Portland's participation in Age Friendly Cities network, advise other teams on how our work can better accommodate aging population and multi-generational needs.</li> <li>•Advise other teams on how built environment impacts public health.</li> </ul>
4 Assist City bureaus in decarbonizing their operations. Energy efficiency assistance, renewable energy procurement.	4 <b>River/Environmental</b> <ul style="list-style-type: none"> <li>•Maintaining the NRI</li> <li>•Map error corrections</li> <li>•Advise other teams on Goals 5 and 15 and Metro Title 13 compliance.</li> <li>•Develop a workplan for a more formal BPS Natural Systems Resiliency Program in coordination with resiliency program located in other sections of BPS and also in BES, PPR, and PBEM.</li> </ul>
5 Implement deconstruction standard and programs to reduce material waste.	5 <b>Design Review</b> <ul style="list-style-type: none"> <li>•Maintain Design Guidelines</li> <li>•Create visuals and graphics to illustrate future physical changes of places and communicate concepts.</li> <li>•Advise other teams, including other bureaus and agencies, on urban design solutions.</li> </ul>
6 Implement food waste reduction/recovery program.	6 <b>Historic Preservation</b> <ul style="list-style-type: none"> <li>•Maintaining Historic Resources Inventory (HRI).</li> <li>•Maintain Historic Design Guidelines.</li> <li>•Advise other teams on Goal 5 compliance.</li> <li>•Process historic resource nominations.</li> <li>•Coordinate with BDS on archeological resources.</li> </ul>
7 Implement straw and plastic bag bans.	7 <b>District Liaisons</b> <ul style="list-style-type: none"> <li>•Track local planning issues</li> <li>•Act as conduit of communication to neighborhoods and geographically based advocacy groups and initiatives.</li> <li>•Occasional zoning map corrections and small locally-driven projects.</li> <li>•Coordinate with other bureaus re: major investments (examples Division BRT, SW LRT, etc.).</li> </ul>
8 Implement reuse/repair/share options and community actions.	8 <b>Central City</b> <ul style="list-style-type: none"> <li>•Same as Districts Liaisons above.</li> <li>•Work to implement the Comp Plan and CC2035 visions into opportunity sites like OMSI, Post Office.</li> <li>•Track major development projects.</li> <li>•Collaborate with Albina Vision Trust</li> <li>•Experts on the complex Central City zoning code.</li> </ul>
9 Implement waste equity initiative to reduce barriers and open up opportunities for diversifying hauling sector.	9 <b>PSC</b>
10 Ongoing management and regulation of the waste, recycling and composting collection service for Portland (which includes operations, customer service, hauler engagement, coordination with Metro, etc).	10 <b>CIC</b> <ul style="list-style-type: none"> <li>•Manage the Community Involvement Committee.</li> <li>•Maintain best practices for community engagement.</li> <li>•Advise other teams on Goal 1 compliance.</li> </ul>
11 Management and expansion of public trash can program across the city.	11 <b>Government Relations</b>
12 Initiative to improve services to Multifamily Residents for waste and recycling.	12 <b>Tribal Relations</b>
13 Partner with c40 on Thriving Cities initiative.	
14 Working at state level for local REACH codes for building standards on energy efficiency.	
15 Decarbonize/electrify CityFleet (close partnership with OMF).	
16 Working with Multnomah County and community partners to develop Climate Justice by Design Initiative	
17 Economic development opportunities for BIPOC communities from climate and sustainability programs.	
18 Sustainability engagement and education programs such as the Fix It Fairs, Master Recycler Program, etc.
