

ORDINANCE No. 151397

An Ordinance authorizing the Purchasing Agent to call for bids to furnish material and labor to construct the Improvement of NW Reed Street from NW 21st Avenue to NW 24th Avenue and NW 23rd Place from NW York Street to NW Nicolai Street in Northwest Portland for the Bureau of Street & Structural Engineering, authorizing a contract, authorizing the drawing and delivery of warrants, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. That \$315,300 was approved in the Bureau of Street & Structural Engineering's budget for FY 1980-81 to construct local streets in the Northwest Industrial Area.
2. That the proposed projects will serve to enhance industrial access and provide additional on-street parking.

NOW, THEREFORE, the Council directs:

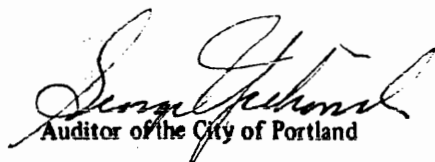

- a. The Purchasing Agent shall advertise for bids using specifications filed in his office and in the event that no satisfactory bid is received, shall readvertise on the same basic specifications until a satisfactory bid is received.
- b. A contract is authorized with the most favorable bidder as designated by the Council.
- c. The Mayor and the Auditor hereby are authorized to draw and deliver warrants chargeable to the 1980-1981 General Fund, Bureau of Street & Structural Engineering, BUC #15900253, Object Code 630, when demand is presented, approved by the proper authority.

Section 2. The Council declares that an emergency exists because a delay in proceeding with the purchase may result in additional expense, and will unnecessarily deprive the City of the benefits of completion of the contract at an early date; therefore, this ordinance shall be in force and effect from and after its passage by the Council.
