Communications

Request of Dr. Elizabeth O'Neill to address Council regarding campers and illegal activities near Gateway community medical buildings

Date and Time Information

Requested Council Date

October 20, 2021

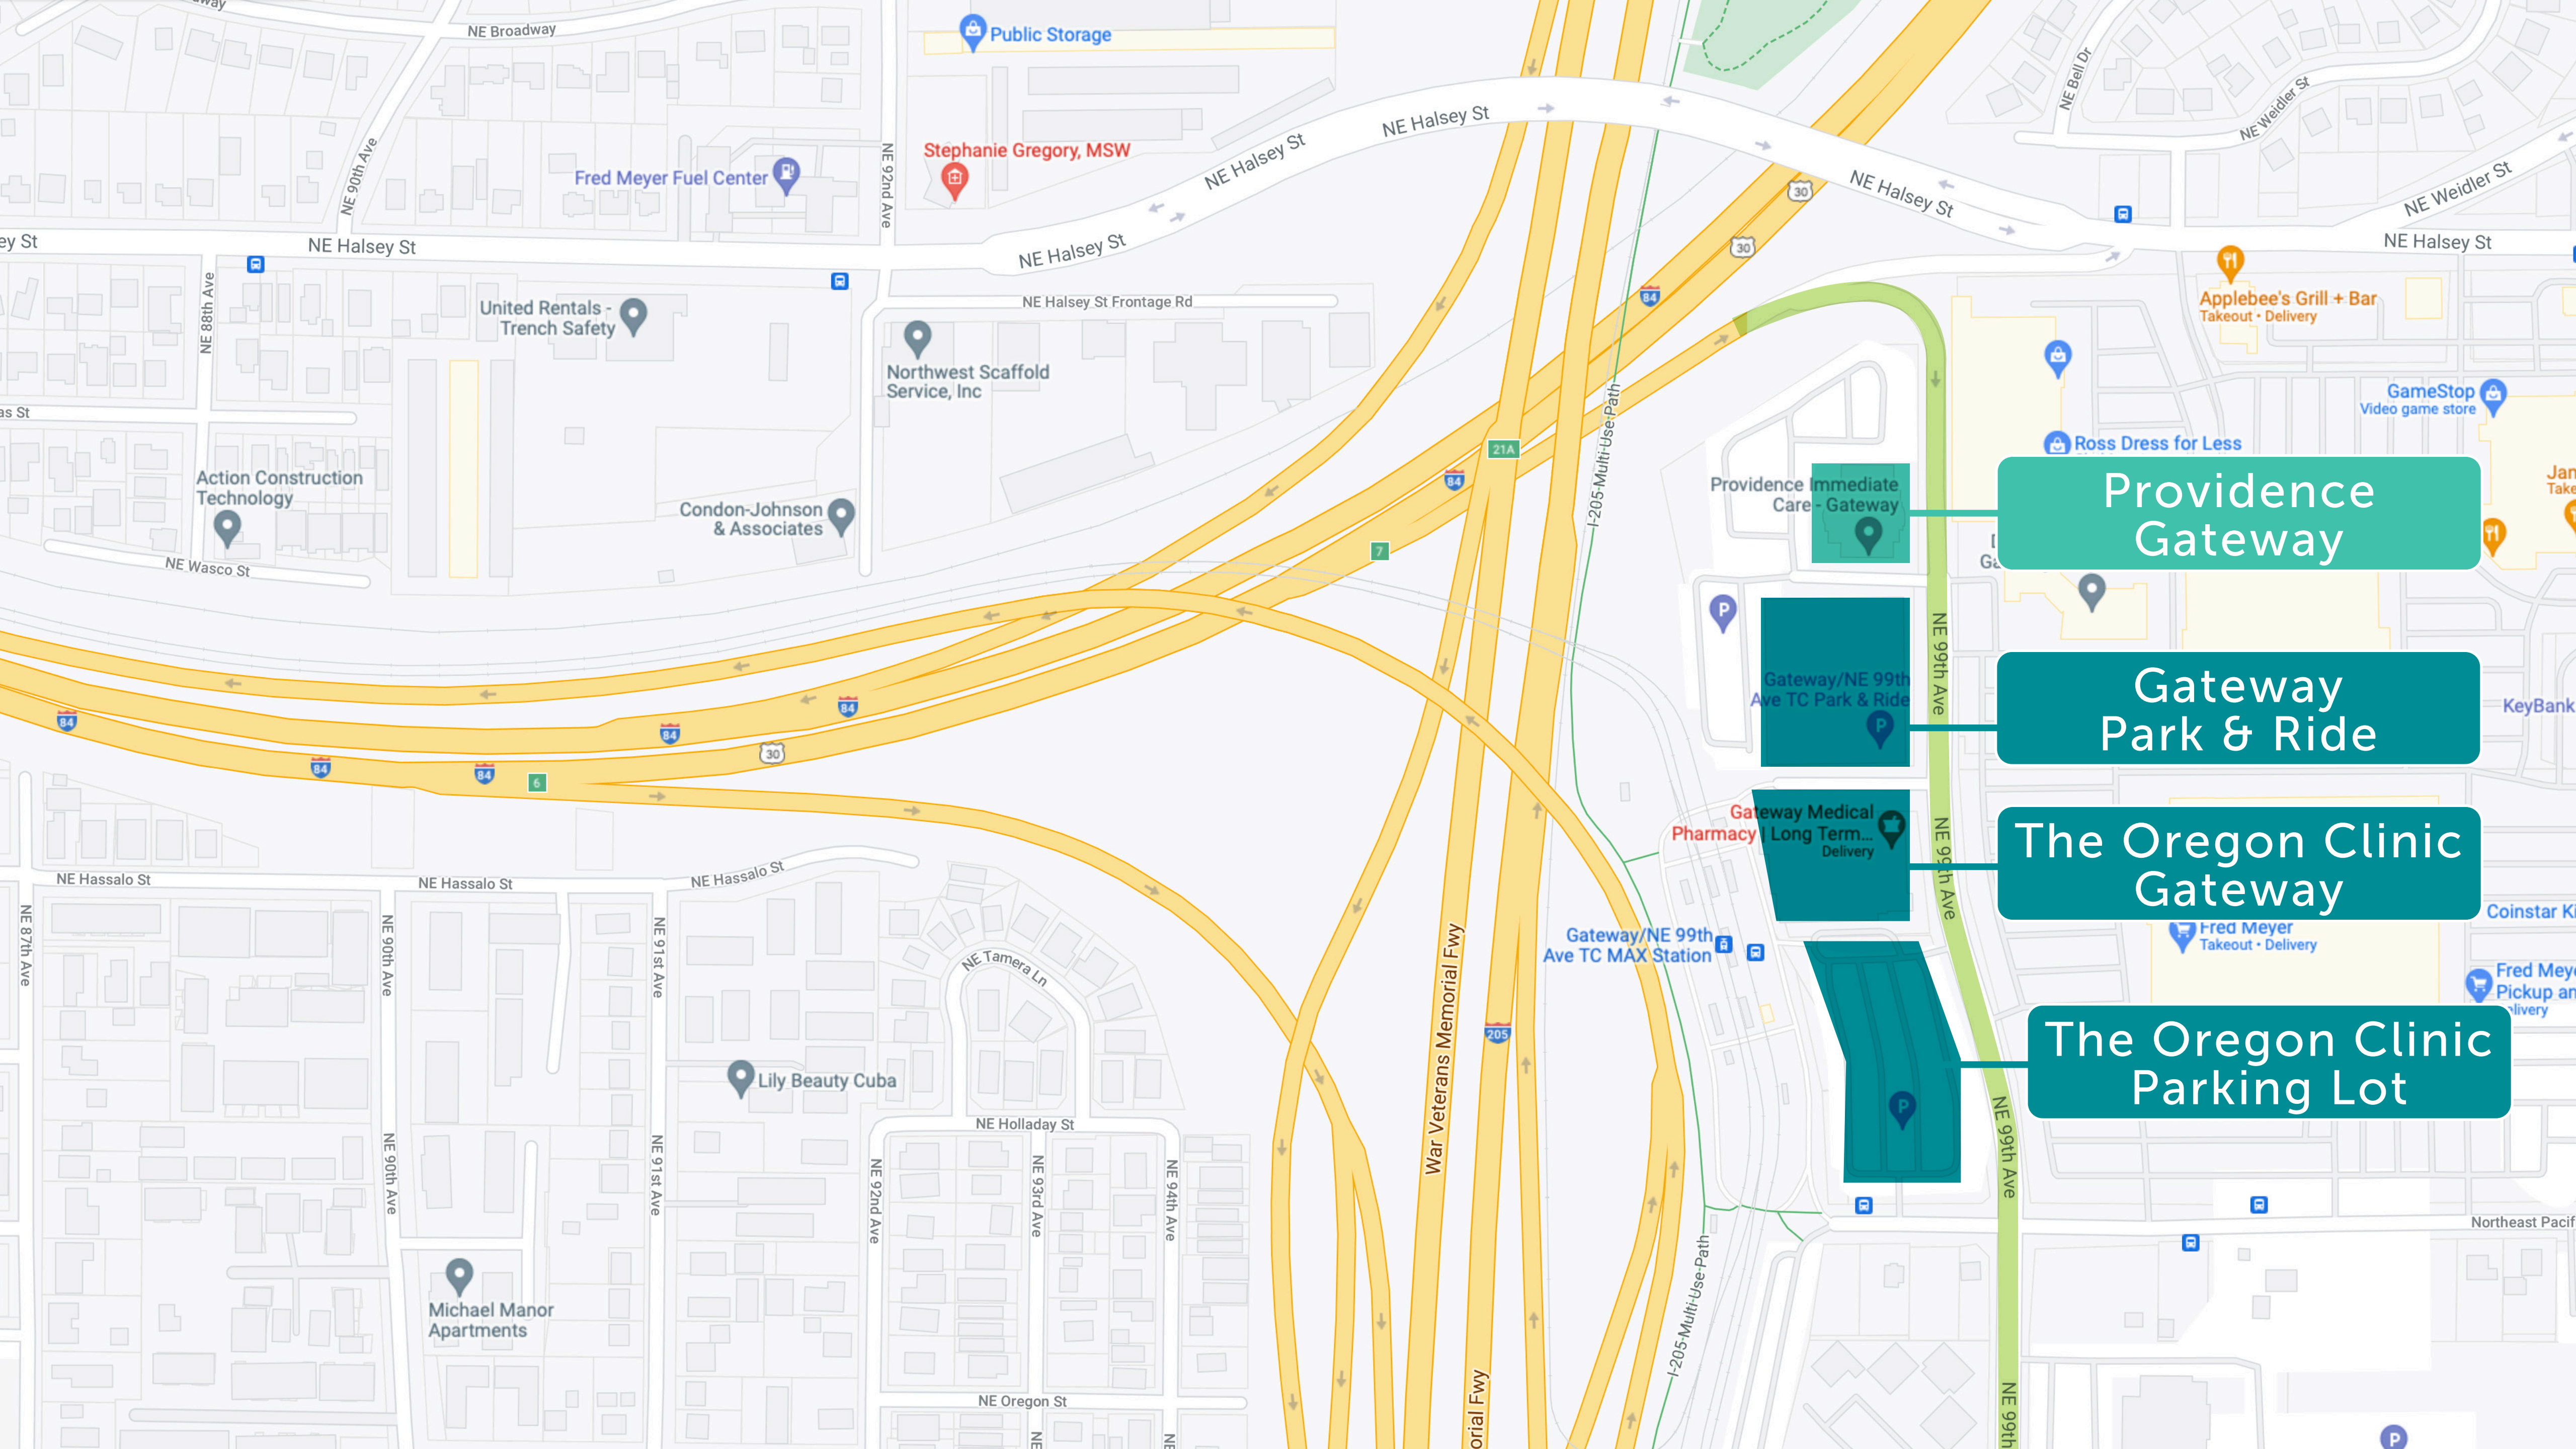

Placed on File

A brief description of Communication: As medical providers in the Gateway community, we have concerns for the safety of our patients and staff who need to access our clinics and hospitals. While we understand the complexity of issues around housing in our city, the campers and illegal activities in the area around our medical buildings are seriously limiting access to critical healthcare for our community members.
