EXHIBIT B INSURANCE REQUIREMENTS

GENERAL

City is self-insured for general liability, auto liability, and worker's compensation insurance coverage. City will provide a certificate of self-insurance to TriMet upon request.

City shall require in its first tier sub agreements with entities that are not units of local government as defined in ORS 190.003, if any, that the subcontractor obtain and provide the insurance applicable to subcontractor's performance under its sub agreement: i) insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before performance of this Agreement and of any sub agreement commences, and ii) maintain the insurance in full force throughout the duration of this Agreement and sub agreement. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to TriMet. City shall not commence work under this Agreement, and shall not authorize work to begin under a sub agreement until the insurance is in full force. Thereafter, City shall monitor continued compliance with the insurance requirements in its sub agreements on an annual or more frequent basis. City shall incorporate appropriate provisions in the sub agreement permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall City permit work under a sub agreement when City is aware that the contractor is not in compliance with the insurance requirements. As used in this section, "first tier" means a sub agreement in which the City is a Party.

City shall comply with any requirements of TriMet with respect to City's compliance with these insurance requirements, including but not limited to TriMet issued stop work orders (or the equivalent) until the insurance is in full force, or terminating the Contract as permitted by this Contract, or pursuing legal action to enforce the insurance requirements.

TYPES AND AMOUNTS

- I. **WORKERS COMPENSATION.** Insurance in compliance with ORS 656.017, which requires all employers that employ subject workers, as defined in ORS 656.027, to provide workers' compensation coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Property Damage:

\$1,000,000 per occurrence (for all claimants for claims arising out of a single accident or occurrence).
Insurance policy shall include Sexual Abuse/Molestation coverage with limits no less than \$500,000 per occurrence/aggregate.
- III. **AUTOMOBILE Liability Insurance: Automobile Liability.** Automobile Liability Insurance covering all owned, non-owned and hired vehicles. Coverage must be primary and non-contributory with any other insurance and self-insurance.

"TAIL" COVERAGE

If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the subcontractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the sub agreement for subcontractors, for a minimum of 24 months following the later of: (i) the subcontractors completion and City's acceptance of all services required under the sub agreement or, (ii) the expiration of all warranty periods provided under the sub agreement with respect to the subcontractor. Notwithstanding the foregoing 24-month requirement, if the subcontractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the subcontractor may request and TriMet may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If TriMet approval is granted, the subcontractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE

The subcontractor or its insurer must provide 30 days' written notice to TriMet before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).
