*Thank you for working together to agree on these urgent investments to address our homelessness, livability and public safety crises. Please vote **to approve** the fall budget package. Please continue to work together and act with urgency to implement the critical programs and service improvements these dollars which will pay for a real-time dashboard of available shelter space for outreach workers to use to direct houseless Portlanders to shelter and services. Additionally I support Mayor Wheeler's proposed \$7 million public safety investment package.*

Thanks,
